A Walkthrough

Introduction

How to Use

There are eleven endings: five Anna endings, two Emma endings and two Alice endings, finally, there are two game over states. If you want to be pointed in the right direction, read the “spoiler free” option. If you want step-by-step instructions, use the walkthrough, and pick the corresponding options. “Any” means you can pick any option.

Anna Endings

Anna Platonic

Spoiler Free

To get Anna’s platonic ending, you must avoid having sex with her and avoid giving her too hard of a time. Pick options which are nice to her without going overboard, pass up opportunities to hang out with her, and so forth.

Friends with Benefits

Spoiler Free

Try and strike a balance between being nice and showing Anna who's boss. Too dominant and she'll resent you too much, too light and she won't take you seriously. It's something of a delicate balance but there are multiple ways of doing this. Don't go out of your way to share Anna's attitude.

Sexy Submissive

Spoiler Free

This is one of the harder endings to get, but it's similar to the submissive path, except you're going to want to try to have sex with Anna. She will probably not like you very much, so when the time comes to make your move, make it more a transaction.

Lovers

Spoiler Free

To be Anna's lover, she can't just merely like and respect you: she has to find in you a kindred spirit. This is done through very specific dialogue options, but in general, they will have you agreeing with Anna's worldview. Then, after that, you have to find a way to fuck her.

Emma Endings

Emma Platonic

Spoiler Free

As long as you don't have sex with Emma, Emma's platonic ending will always be available to you.

Walkthrough

- Play through the game and don't get a game over during the shower scene or the sleep scene. Avoid having sex with Emma. At the end screen, pick "Emma".

Emma Sexy

Spoiler Free

You'll need to go on Emma's date, and during the date, you'll need to push her out of her comfort zone.

Walkthrough

- Play until you Emma calls you and asks if you want to hang out.
- Pick "Sounds like a good idea" or "Nah, I'm not doing anything right now" depending on your playthrough. You should always be offered one of these choices.

Alice Endings

Alice Platonic

Spoiler Free

Keep things friendly between you and Alice, but don't be too impressive. This is one of the easiest endings to get.

Walkthrough

- Play as though going through the Anna platonic ending, but in the end pick Alice instead.

Alice Sexy

Spoiler Free

Alice likes it if you're just as weird and awkward as her.

Walkthrough

- I can...
- Friendly ep1 ending (picking this ending makes the good Alice ending SLIGHTLY easier, but it's still very possible with any ep1 ending.)

Fun things, trivia, and commentary

- Did you know you can get killed? It's only on the Pateon version, but it's by far one of my favorite scenes.

- The Throne of Swords is an obvious reference to the TV show, but the names are references to my favorite crpg *Baldur's Gate 2*.
- One of the harder things to do is get Anna to bleach all your clothes out of spite. You have to piss her off in a specific way during the television scene.
- In the original script, the PC didn't hide the alcohol from the softball team, but poured them down the sink. This depraved, shocking act was toned down to where it is now, to avoid offending the sensibilities of gamers everywhere.
- There are three different lead ups to the maid sex scene, depending on how submissive Anna is and how many sexy situations you put Anna through. Can you find them all?
- Testing an early version of the Emma sex scene, while having difficulty getting the dick up Emma's backside, I screamed "GET IN THERE!" and alarmed everyone in my house.
- It is possible, though difficult, to unlock a scene get Emma to punish Anna for her misdeeds. Originally it was supposed to be Emma's idea to punish Anna, but we thought that was out of character and made it an optional scene.
- The sound effect you hear when Anna and her softball team walk into the player's house took six hours to make. To be fair, most of it was me just flailing around in Audacity.
- It's pretty hard to do, but you can make it so Anna reverses the situation, taking pictures of you and using that as blackmail over you.
