

Dreaming of Dana Walkthrough of sorts.

Okay so someone said these things need more detail and be more hand holdy so here's what I do in more hand holdy detail. Don;t worry your pretty little selves, uncle Gomly got you.

Now sit on my knee and talk about the first thing that pops up.

That's not in the game.

This is the game.

First choice is Dana visiting you in the morning. Be caring towards her for +1 affection.

Be affectionate in your second choice for another +3 affection.

Speak to Andrea.

Compliment her +1 affection.

1st lunch, chat with Dana or Andrea for +2 affection. Maria hasn't shown up yet.

Work.

When you wake up go to the living room and then the kitchen.

Tell Andrea her she did well for +1 affection then meet Maria.

Go to all 3 women and chat with them for +2 affection each.

Work until lunch.

Lunch with Maria and chat for +2 affection DO NOT flirt yet.

From now on you can roam around the office if you want to sometimes see a scene with Maria giving someone a blowjob.

Other than that, work to move the day on.

You haven't earned enough affection for a date yet so go home at the end of the day.

Andrea in the rain random event event.

Approach her.

Invite her to your apartment.

Insist.

Get her normal outfit - this route increases affection the skimpy outfit increases sexuality but I do that through sex.

Invite her to stay over.

This net +8 affection.

During morning at work carry on with visiting each girl and chatting for that +2 affection.

During lunch you need to chat with Maria. You need to chat with her 5 times in total to unlock flirting but DO NOT flirt with her until you have around 35 affection or you lose affection points.

Approach her.

Take a peek for +2 sexuality.

This event also nets +5 affection.

Carry on talking to the women at work. Your aim here is to get around 30 - 35 affection with Andrea and Maria to start the dates.

Skip weekends for now, you haven't unlocked weekend dates yet.

Once Maria has her sexuality on 10 and affection on 30 she will invite you to her office where you find out about her husband and that they are swingers.

You can now find out a little bit more about Maria when talking to her in the morning.

Be a little candid.

Yes.

She gets angry if you don't let her do her own thing. Again, remember, Maria is not yours so fuck up with any NTR bullshit. I

know this shouldn't need saying but some numpty kept prattling on about being cuckolded by Maria despite her being married and not in a relationship with the MC. That's not NTR/cuckold. This is also your first glimpse of Mila who is the blonde dancing.

Jessica's studio second visit.  
Still no choices yet.

You've got a deal.

Next day at the office access company files on your computer to get Marks new address.

Sit back and relax as Jessica beats the shit out of Mark and then you get your dick wet.

After that you should be able to go on the first bowling date with Jessica.

Drunk enough to be seen with me for +5 affection.

Really focus ... if you miss on purpose it pisses her off.

Keep playing for another +5 affection.

The bowling date is the quickest way to raise her affection to get her to allow you to take her home and you need to do a couple

of these before she will go home with you.

I had her affection on 50 and sexuality on 20 before she would come home with me and you need to get her to your home before you unlock the double date with Dana.

Bowling date with Jessica and Dana.

You will have a threesome with Dana and Jess which leads to Dana finally admitting her feelings to herself.

You will now go on the first weekend getaway with Dana.

Dana will come to your home when she's arranged everything.

Turn around.

Put your hand on her thigh.

Don't push it.

Press her for more.

You get a choice of yes or no at this point which affects Jessica moving forward. I picked yes, no idea if no stops most of it going

forward but i'd assume so.

Jessica will visit you at work some time after this.

I'm sorry.

I went be submissive here but I like Jessica, others may have a differing opinon and go another way but I don't know what happens any other route.

Take your pick over do it or don't on the last choice, it's up to you.

No choices here, just watch it unfold.

This is where you meet Mila properly for the first time.

Good boy option. You can be a dick to force her into sex but it isn't my thing.

Weekend event with Maria and John.

Yes.

Yes.

Do it.

Yes.

Go.

Gonna leave the choice to you here. You can let her fuck the guy or not, personally I take her being angry at me as i'm not a fan of seeing a woman force fucked but the choice is yours.

Maria home date with Dana.

You get the option here to share Dana with John or not. I didn't.

Remember though that if you don't share her here and pick Maria and John to move in with at the decond weekend away the option won't turn up again. If you do share her you get to

Dance club random event with Andrea.

Spend the evening with her.

At some point you will get a random event with Jessica in the restaurant if you keep checking. You will get a quick look at the softer side of her and her opening up a bit. Some people took this as her converting or becoming more submissive it isn't Jessica isn't changing in any way, it's just character development so don't read into what isn't there.

Bowling alley random event with Andrea.

Random event at restaurant with Dana and work clients.

Fine.

At some point Mila will come to your office and ask for help. I have no idea if she does this if you forced her into sex, as I said, I didn't go that route but is you forced her and she doesn't turn up it's on you.

Random event with Andrea turning up at your home after she's had a nightmare.

Yes.

Be a good daddy, I just can't face being a dick to her.

Jessica turns up at your home.

Open.

Random event with Dana leaving the office.

Follow her.

Keep watching.

Yes the play is taking the piss out of The Room.

Go back to being Lex Luther.

I love you to.

Talk to Dana about a weekend away with Andrea.

Here you meet your soon to be new assistant intimately, Amy.

Good daddy.

Good daddy.

This is the only weekend that carries on at the moment.  
Take her back to your place. Offering to walk her home can lead  
to a fuck with Lana though if you fancy that  
Marvel as a new plot twist takes shape.

Because i'm such a nice bastard I even went through the effort of  
loading a svae and the strain of more clicking to go through the  
Maria and John weekend for you.

Weekend away with Dana, Maria and John.  
If you want to bang Amy then pick thanks for looking after her.  
If you take Dana back you get to fuck Maria instead.  
If you didn't share Dana before you won't here, if you did then  
John gets to fuck her again.  
It ends there for now.

I may have missed something but I don't think I missed much.
