Beginning - Waking Up

Nina: - Ew, what were you dreaming of, you perv?

- About you, of course! *wink [(Friendship + 1)]
- It's nothing like that! [(Friendship + 3)]

Go to your room and get the diary on the table near your bed, this will give you access to the menu.
Now you can grab the apple's basket on the kitchen's table to get Apple (x 5). They will be more useful later on, so try not to use them now.

**Quest 1 - Find The Missing Chickens**

Time to know the villagers a little! I see some people having trouble with this quest, but if you pay attention on what people are saying, they give you pretty obvious tips on where to find the chickens - you can also hear them when you're close!

Red circles points the location of the chickens and the blue ones points all characters you have to talk, inside and outside the houses - 3 of them are constantly walking, so they won't be in this exact location, but they'll be near, probably.
* To get the chicken inside the house, talk to Heather and then to her mother.
You can find only 4 chickens. After you talk to everyone and find all four chickens, go back to the village map (if you aren't there yet) and your character will give up and say he have to go talk to his father, so go talk to him.

**Nina's House:**

Inside Nina's house, during the chickens quest, you can gain some friendship points with her father and grandmother. Having high friendship levels with them will help you gain extra love points with Nina later on. You'll also want to be good friends with Nina's grandmother, she will be useful in the future.

**Nina's Father:** - Huh? No, I didn't see any chicken, sorry Alex! Hey, so what do you think about Nina's boyfriend?

- I don't know him very well... *(Neutral)*
- I don't like him. *(Friendship + 10)*
- He's alright, I guess. *(Friendship - 5)*

**Nina's Grandmother:** - Aren't you that boy who used to play with Nina all the time when you were kids? Why aren't you her boyfriend?

- She's in love with somebody else. *(Neutral)* (You'll hear nana's most bizarre love story though!)
- We don't like each other in that way. *(Friendship - 10)*
- Maybe someday I will! *(Friendship + 10)*

**Quest 2 - Get Some Water**

Before going to Sam's house, follow the two guys that just passed by you running and talk to one of them.

**Tips**

Marcus loves to peep on people having sex, and will constantly call you to join him as you improve your friendship with him. If that's your thing, you'll want to join him now and watch Amanda and Toby - this will allow you to learn the Stealthiness Trait from him early on. If you choose not to follow him, you should go for the Honor's route - keep your Alignment positive to call Mia's attention and get some scenes with her.
After this scene, go to Sam’s house and he will join you. Go to the village’s well (right exit). To fill the bucket with water, open the Item Menu, select the bucket and choose the option “Hold”. With the bucket being holded, interact with the well to fill it. After that, go back to your father to finish this quest.

Quest 3 - Find Sam's Luck Charm

Just go back to the well and watch all the scenes.

Forest

Just avoid the monsters and try to get to the cave before you get hit by the lightning - if that happens you'll not get the extra 5 Friendship Points with Nina in the Cave Part 2 scene.

Scene - Cave

Here you can gain some Friendship points with Nina or, in case you’re going for the corrupted route, you can sacrifice some points with Nina and raise your Corruption.

Nina: - Aah! Don't look at me!

- You should take off your wet clothes or you will get a cold…
  Nina: - What the fuck?! I won't get naked here, you idiot!
  - That's not what I'm saying!
    Nina: - Hey, stop looking!
      ○ Don't be stupid, I'm not trying to see you naked! (Friendship + 5)  
      ○ Sorry, it's just that you're looking so beautiful! (Neutral)

- Well, it WOULD make you feel less cold! (Friendship - 5), (Corruption + 5)

- I'm going to search some wood out there to make us a fire. (Friendship + 3)

Scene - Cave Part 2 (After Quest Sticks and Stones)

- Take a quick look (Corruption + 10)
- Keep eyes closed (Honor + 10)

Nina: - This is so embarrassing... You can't see me like this!

- Don't worry so much, we are friends after all!
  (She'll let you open your eyes if your Friendship is 55+ (you start with 50 Friendship Points with Nina)

- Well, I'm feeling a bit tired, anyway. (Nothing Happens)
If you're not hit by the lightning in the forest you will get +5 Friendship Points.

**Quest 4 - Father needs a medic!**

1. Talk to the village’s elder in front of his house.
2. Inside your house, Mia is checking on your father. If you have at least 10 points of **Honor** (you can get them by not spying on Nina at Scene - Cave Part 2) you'll get some extra conversation and +10 Friendship Points with Mia.
Day 1

Pick up all the wood in the floor of your farm and get your tools in the chest. Try not to waste too much energy now cleaning your farm, only remove what’s necessary to open some space for your crops.

- Talk to your father to get the Recipe: Fence
- Talk to every girl to get your daily friendship points with them.
- Flirt with the girl of your choice. I recommend you start flirting with Elise first, as you can start a sexual relationship with her way earlier and you won’t lose points with the other girls, nor lose those points when you start flirting with other woman.
- **Heather** will give you a new optional quest: Fence Repair - after completing this quest, don’t accept Heather money to get (Friendship + 10) points.
- Talk to Darius (Trevor’s father) and he will ask you to get him some Rum.
- Talk to Nina’s Father and he will thank you for protecting his daughter.
  - I need some money. (+ 30G) (New Quest: Report to Nina’s Father)
  - Don’t worry! (Honor + 10)

- You should buy some Seeds at Laura’s Shop and plant them in your farm - at least one crop so you can start buying alcohol from the PUB later on.
- Get two new quests from the village elder **Silas** - Cleaning the Village and Take care of Redd (talk to him twice and choose the “Quest” option).

- Go to the Lake for a chance to find some **Apples** and **Tulips**.
- Give the Rum to Darius to get the **Hammer Tool**. You can now sell Fences to him for 20G each.
- Give some food and medicine to your father and go sleep.
Day 2

- Go down on her (Corruption + 5) (Selena’s Influence + 10)
  - Try to continue things inside the wagon (Friendship + 5)
  - Stop
- Refuse
- Let’s go inside the wagon (Friendship + 5)

</tr>
<tr>

- Go to the Abandoned House and talk to Marcus.
- Go to the Well to encounter Nina’s grandmother:
  Nina’s Grandmother: - So, are you going to help me or not?
- Sure! (Friendship + 10)
- Ok... (+ 80G)
- No way! (Friendship - 10)

Nina’s Grandmother: - What? You'll let an old lady carry all this weight?
OK... Here, I'll pay you 100 coins! What do you say?
- Now we are talking! (Corruption + 10) (+ 100G)
- Sorry, I want no part in this. (Honor + 8)

➢ Go back and talk to Marcus again. After the scene is finished, go back to your house and sleep.

- To be loved (Charisma + 1)
- To protect the people I love (Combat + 1)
- To be a great farmer (Farming + 1)

➢ From now on you can buy Special Bread from Sam’s mother.
➢ Go to Vincent’s house before talking to Elder Silas. Knock on the closed door and choose the option “Insist” to see a sex scene between Vincent and Roxy.
➢ Talk to elder Silas.
➢ Enter Vincent’s house and watch the scene.
➢ If you have at least 20 Friendship Points with Marcus, you can find him in the village and learn the Stealthiness Trait. You must have a Corruption Alignment of at least 2 points and will need to spend at least 2 Time Points in this. To learn the skill spending the less amount of Time Points, choose the following options:
   1. Invisibility Technique?
   2. Can you teach it to me?
   3. I’m Ready!
   4. Stay Still
   5. Stand casually still
   6. I’m just relaxing a bit
➢ Talk to Sam and tell him you need money. Nothing will happen for now.
➢ Go to the Well.
➢ If you are doing the Report to Nina’s Father quest, talk to him after you hear about the party to get 50G and a new quest: Awkward Conversation.
➢ If you learned the Stealthiness Trait, you can go to Amanda’s room and watch the scene. (Corruption + 3)
➢ Go home after finishing everything else you have to do this day and talk to Mia (only if she’s taking care of your father). If Mia is not in your house, go to bed and skip to Day 4.

➢ If you haven’t fixed your house by now and are trying to cure your father, this is the last day you have to do it, otherwise your father won’t heal in time. You can pay 500G to Darius or offer to help him seducing Mia or Heather in exchange for his service (first select the “Hire” option and then hit “Cancel” and he will suggest you to present one of your friends instead of paying for his services). You must have at least 20 Friendship Points (2 hearts) to be able to offer one of them. Keep in mind that offering a girl will result in future scenes with Darius and the girl of your choice.

➢ Evelyn is trying to make her cat get off of a tree near the PUB, talk to her while holding a Woolen Yarn to bring it down. (Friendship + 10)

➢ If you have the Mother’s Necklace, give it to Mia today to get her a new outfit (starting on the next day), a new scene on Day 5 and (Friendship + 10).
If Mia is taking care of your father and isn't mad at you (Mia’s Relationship Path 1.A) talk to her at the elder’s house and she will go to your house again. If she's not, remember to feed and give your father some medicine.

- You can accept a new quest from Elder Silas: Responsible Partying.
- Finish all your daily activities.
- If you accepted the Responsible Partying quest, talk to Mia and she will join you, but only if you have at least 2 hearts with her.
- Go to the party area (the area right before the Lake) and interact with the fire. You can make it bigger by holding 50 Wood. Choose “Finish” when you're ready to end Day 4.

2. Go to the Lake after talking to Elise (Use the Village’s south exit, then go west to get to the place the party happened and west again, on the higher corner of that map). Interact with the shiny place near the lake to collect the Tulips.  
Now go to south (where there used to be a girl blocking the path) to reach a new area. Follow the path to the shiny spot near the lake again to get the Garlics.  
**Mermaid:** - Judging by that volume you got down there, I guess I could give you a nice “massage”. Why don’t you come here and swim with me?  
   ● Sounds fun to me! (**Sex scene + Mermaid Promise Route**)  
   ● I prefer to get some answers. (**Mermaid Secrets Route**)  

Use the Tulips and Garlics to craft **Elise’s Request 1**. Go back to Elise’s house and talk to her while holding the item you crafted, choose the “Quest” option.  
**Elise:** - You are... quite big. Are you like this just from looking at me?  
   ● Yes (**Sex Scene if Friendship Level >= 2 and if Elise Sex Route wasn’t stopped in the previous quest**)  
   ● No  
You will get (**Friendship + 5**) and (**Honor + 8**) after completing the quest regardless of your choices.
➢ If you haven’t started giving **Heather** some money, now is a good time to do it as it’s necessary to get the first sex scene with her.

**Donating Money to Heather**

After you buy the Woolen Yarn from her, she will start accepting donations from you. You’ll unlock different events by reaching some milestones:

**500G:**

**Heather:** - You’re helping me a lot, \N[1]! Is there anything I can do to thank you?
  • You don't need to thank me! *(Friendship + 10)*
  • Hm... How about you owe me a favor? *(Fake Girlfriend Route)*

**1000G:**

**Heather:** - All this money money you gave me... it’s a lot, \Player! I don’t know how to thank you...
  • Show me your tits! *(Blackmailing Heather Route)* *(Corruption + 10)*
  • I'm doing this because you are my friend! *(Friendship + 10)*

*More events will be added in the future!

➢ If you gave **Mother’s Necklace** to **Mia** on Day 4, talk to her then go to your house.
  ○ Help Mia
  ○ Watch
    ■ I just got here.
    ■ I saw everything.
    • You did a nice thing for him. *(Friendship + 10)* and starts **Mia’s corruption story**
    • You’re a pervert!
      o "I didn't meant it as a bad thing." *(starts Mia’s corruption story)*
      o *(Blackmail) *(Corruption + 10) *(Friendship = 0) *(will lead to Mia’s Relationship Path 1.B)*

➢ After finishing everything you want to do on this day, go to your house and talk to your **Father** (talk to **Mia** first if she’s there).

**Player:** - I can see how hard he’s trying to hide his pain. Father...
  ○ Ask Elise to visit(1)
  ○ Call your ‘girlfriend’ for a visit(2) *(only available if Heather owes you a favor from the Donating Money event)*
- Leave your house and go to the Well. Talk to Nina there.
  
  **Nina:** - You’re a good friend, Player. Thanks!
