

## HACK'N STALK 2.0 - WALKTHROUGH v0.4

Use this guide only if you are stuck or wanna know what content is hidden in different paths. You can also use it before playing if you like to severely spoil your fun!

### CHOICES

There are few "right" or "wrong" choices in HnS2. Some choices will define how your character thinks and works, hence defining more and more of his D.I.C.K. values (Daring, Intelligence, Charisma, Karma). Notice that Karma works a bit different than other stats, as there are options only available to either low and high Karma characters.

Other choices will affect some of the girls' stats (LOVING and CORRUPTION). Loving and corruption are mostly trade-off choices, and it will not be possible to max both these stats in a single character.

## LITERATURE EXAM QUEST

#####  
#####  
#####  
#####

In this quest you'll start using the map to move between Riverside Locations and the inventory. There are several ways to achieve the objectives, with different outcomes to your statuses and item.

-----  
-----

- 1) Take Mr Watson picture and get him out of the way.
  - 1.A) The first path is to enter the school and pass a charisma check while talking with Mr Watson (more on how to raise charisma below). But first you need make Officer Dan leave the school by either:
    - Buy Bob's joint at the gas station (right side of school) and ask him to lure Officer Dan out of school.

- Give a beer to Bob at the gas station and ask him to lure Officer Dan out of school. You can buy a beer at the convenience store. One beer can also be found inside the Miller's House. However, drinking the beer would give you some Daring points.

- You can cheaply get Officer Dan out by buying a doughnut and eating in front of him

After entering the school you'll need to talk to Mr Watson and choose the option with a charisma check.

Charisma can be built in several choices and actions you can see prior in this guide. (Smoking the joint in the motel room also gives you a high charisma boost but intelligence penalty)

1.B) If you don't have enough charisma or don't care about losing a little Karma, you can save money (and even make some) by luring Mr Watson out of school. First go to the parking lot (left side of school) and check everything inside his car.

You can then find a tire iron inside the Miller's House (see section 2) and use it to break the car window, triggering the alarm.

You'll have a quick opportunity to grab the picture inside the car (the choice will be easier if Officer

Dan is not around to stress you). If you get the picture, show it to Mr Watson to make a little money and get him out (or just use the other option do it with no rewards).

---

2) Find which book Phoebe didn't read for the exam (OPTIONAL)

You can skip this, but OF COURSE you shouldn't. There are two ways to do it, both starting when you get back at the Miller's House.

2.A) Go to the tennis court (left side of the house) and talk to Samantha. You'll have an opportunity to

search the books but time is limited! You can lose all the fun and use a cheat code to highlight

all books in the scene (hold 'B' and 'C' keys). Quickly exit the room after you find all the books.

REMEMBER THE NAME OF THE BOOK PHOEBE DID NOT READ.

2.B) Got to the tennis court (left side of the house) and find the door key inside the bag before talking to

Samantha. Use the key on the door to unlock and get into the house. Enter the study room on the right

to search for the book (no time limit this way) REMEMBER THE NAME OF THE BOOK PHOEBE DID NOT READ.

Avoid being busted by Samantha by using "Hide in the closet" timed option and leave the house.

Remember to talk to Samantha before leaving to trigger the TENNIS LESSONS QUEST (below)

-----  
-----  
3) Wear Mr Watson disguise and hold the exam

Go back to the motel to trigger the exam scene (or click the face 3D printer).

You'll have to write 3 questions to Phoebe about the books. If you discovered and remember which book she didn't read,

choose it for all questions. If you're not sure which one is, just look her reactions to each question (bad for her

is good for you!). The more questions she can not answer, the longer will be the following scene. There's also an

option with a GOOD KARMA check, if you feel it suits your character (skips the sex scene, but gives a high boost on

Phoebe's Loving later)

-----  
-----  
Making Phoebe cum: You can raise her arousal in the first task if your daring status is high enough to tell her to

shut up. Then in the second task do the sequence to make her arousal grow faster than yours:

1) Caress belly until her arousal is about 25%

2) Squeeze boob until her arousal is about 50%

3) Handle boob (not squeezing) until her arousal is about 75%

4) Press nipple until she cums

#####  
#####  
## TENNIS LESSONS QUEST TRIGGER  
#####  
#####  
#####  
#####

To start this quest, you need to talk to Samantha while she is at the tennis court.  
When talking to her:

-----  
-----

- "She is a really nice girl" (+SAMANTHA LOVING)
- "She a little... harsh on people, isn't she?" (+PHOEBE LOVING) later in the day

-----  
-----

- [DARING CHECK] "I don't get it... You look absolutely stunning in those clothes" (+SAMANTHA CORRUPTION)
- [CHARISMA CHECK] "These clothes doesn't reflect who you truly are, " (+SAMANTHA LOVING)

-----  
-----

- Either "I used to give tennis classes back home" or "I know someone who gives tennis lessons" will trigger TENNINS LESSONS quests later

#####  
#####

## AFTER THE EXAM

#####  
#####  
#####  
#####  
#####

- "Did you also have exams today?" (+JENNIFER LOVING)

-----  
-----

- If you found the ear stud, ask Jennifer about it to advance the LOST AND FOUND quest

-----  
-----

- Jennifer conversation with Phoebe in the car will be based on how your performed the LITERATURE EXAM QUEST. If you chose the GOOD KARMA option during the exam scene, there is a high (+PHOEBE LOVING) in this point.

#####

- If you said 'She a little... harsh on people' to Samantha earlier, you get (+PHOEBE LOVING) here

-----  
-----

- "You look too young to be talking about the past" (+SAMANTHA LOVING)
- "Think only of the past as its remembrance gives you pleasure" (+SAMANTHA CORRUPTION)

- "I'm sorry, but I couldn't avoid hearing your parents..." (+DARING) (+PHOEBE LOVING)

#####  
#####

## ## DAY 2 FREEROAM

#####  
#####

#####  
#####

Before continuing Samantha's TENNIS LESSON quest, you should acquire a box of chocolates as Max advised. If you used the CHARISMA route to drive Mr Watson out of school on day 1, he will give one box after a dialog inside the school.

If you used another route, you will have to buy one at the convenience store (notice that Bob is not at the gas station)

-----  
-----

Check Wikipedia on your phone for info on Andre Agassi. Remember the correct info to impress Samantha later.

-----  
-----

Go to the Mall to find Bob then when choosing:

- "... in a banner next to a 'Penis Enlargement Ointment' ad" (+CHARISMA)
- "... in a post in at the Flat Earth Society forum" (+INTELLIGENCE)

-----  
-----

After talking with Bob at the mall you'll be able to browse the electronic store secret stash. You can also buy Bob's pheromone pills back at the gas station. Taking a pheromone pill at this time will grant an extra (+5 CORRUPTION) to SAMANTHA during the TENNIS LESSON scene and (+5 CORRUPTION) to PHOEBE or JENNIFER in the SHOPLIFTER scene

#####  
#####

## ## TENNIS LESSON

#####  
#####

#####  
#####

Go back to the motel to start the scene. Choose either going as yourself (grants more SAMANTHA LOVING) or going as

Agassi (grants lots of SAMANTHA CORRUPTION but no SAMATHA LOVING)

1) AGASSI PLAYI STYLE: Just use what you learned at Wikipedia

- "...agressive", "... at the back at the court." then "... a hard court."

- This will grant (+10 SAMANTHA CORRUPTION) if playing as Agassi or (+4 SAMANTHA CORRUPTION) if playing as self

2) STRETCHING: While she it trying to stretch you have LIMITED TIME to

- "Check backside" (at her backside, duh): grants a new scene picture

- "Properly position her legs" (over her thighs):

- If playing as self, ask her first if you can help; (+5 SAMATHA LOVING)

(+1 SAMATHA CORRUPTION)

- If playing as Agassi, go straight to provide 'hands-on' help (+5

SAMATHA CORRUPTION)

3) SERVE BALLS: You need to score at least 5 FUN POINTS and 5 SWEAT POINTS while serving 5 balls using any combination.

The values each option grant are:

- EASY: (+3 FUN)

- FAIR: (+2 SWEAT +1 FUN)

- HARD: (+3 SWEAT -1 FUN)

- IMPOSSIBLE: (-1 FUN)

For example, hitting 1 EASY and 3 FAIR is enough to beat the game

4) SWEAT CLEAN

Clicking or press space to change view then clean the sweat near her boobs to get (+SAMANTHA CORRUPTION)

5) If you have the box of chocolates to give her (+5 SAMANTHA LOVING as self or +2 SAMANTHA CORRUPTION as AGASSI) at the end

of the training, then "Check door through keyhole" to get a new picture.

get a new picture.

6) SAMATHA will give you a muffin that can be used in the next quest

```

#####  
## DAY 2 FREEROAM PART 2  
#####  
#####
```

#####  
#####

Don't start the SHOPLIFTER scene before obtaining a real security badge. Using the phony badge or no badge at all is

also possible, but you won't be able to explore all the scenes options in this case.

- You're going to need a Drone Claw Module to recover the real badge, you can buy one at the electronics store (\$10 or \$5 in

the secret stash if you pass the intelligence check to install it)

- If you already talked to Bob at the Mall, go to the the school parking lot and check the windows.

- You can throw a beer can or Samantha's muffin to break the window, or you can pass a CHARISMA check and trick Officer Dan to open the window.

- Once the window is open/broken, deploy the drone. Fly it into the window and grab the badge in the right corner. Land the drone back on the street to recover the badge

#####  
#####

## ## SHOPLIFTER SCENE

#####  
#####

#####  
#####

Once you have the badge, go back to the motel to start the scene.

After busting Jennifer and Phoebe:

- "You're contradicting each other..." (+INTELLIGENCE)

- "The softie and the tough..." (+CHARISMA)

1) Choose the suspect: You need to choose which one of the girls you're going to 'interrogate', boosting her CORRUPTION and possibly LOVING sometime later. The scene flow is similar to both girls, but some options and choices responses are different.

Just follow the general girl behaviour for better CORRUPTION scores:

a) Jennifer gets more CORRUPTION if you play the nice guy with her. Choosing her as guilty will grant some (BAD KARMA), though.

b) Phoebe gets more CORRUPTION if you are mean to her. You might have already learned from Mr Watson the she has a secret submissive fetish.

- If used the pheromone pill, a (+5 CORRUPTION) is granted to the chosen girl

-----

- "Type 9" -> "Type 1" - Grants CORRUPTION if the girl is Jennifer

- "Pull her shirt" - Grants CORRUPTION if the girl is Phoebe

-----

- "Get your cock out" - Grants (+1 CORRUPTION) if the girl is Phoebe

- "Wait for her move" - If the chosen girl's current corruption is >25 she will take the initiative, granting (+2 CORRUPTION)

- "Shall we proceed, milady?" - Grants (+2 CORRUPTION) if the girl is Jennifer

-----

- "Shove the cock into her mouth"[KARMA CHECK] - Grants (BAD KARMA) + (+3 CORRUPTION) if the girl is Phoebe

- "Just shut up and suck my cock, little tramp!" - Grants (BAD KARMA) + (+2 CORRUPTION) if the girl is Phoebe

- "Don't worry, girl. No one will know..." - Grants (+2 CORRUPTION) if the girl is Jennifer

-----

## 2) Blowjob

- "Keep enjoying" -> "MORE" - Leads to a cum on mouth / facial (Blowjob Cum)

- "\*Give her a gag reflex control training" - Start a 'SuperDeepThroath like' minigame

- Keep pushing her head down, watching the 'BREATH' bar and she will slowly be able to get more and more down.

- The lower the breath the faster she gives in, but don't let it go empty

- Cumming during this game is not a complete "you lose" as her progress is 'saved'. (Blowjob Cum)

- You are able to push only half of the way. She may learn more later in the game

- Leading her half the way down grants (+3 CORRUPTION)

- You can still choose her to continue after this, leading to (Blowjob Cum)

- "Now bend over this table" - Jumps to (Bang)

## 3) Blowjob Cum

- If you cum during blowjob, you have a timed choice between facial and mouth

- Her response is based on her current corruption

- A facial grants (+7 CORRUPTION)

- A mouth creampie grants (+7 CORRUPTION), but if she already have >35 CORRUPTION she will swallow, granting and additional (+2 CORRUPTION)

#### 4) Bang Her

If girl is Phoebe:

- "Stop whining and endure it!" (+2 PHOEBE CORRUPTION)
- "Okay... You had enough [KARMA CHECK]" - Will end the scene and grant PHOEBE LOVING boost later

If girl is Jennifer

- "Don't worry... I wouldn't never hurt a cutie like you" (+2 JENNIFER CORRUPTION)
- "This is enough punishment... I'll let you go..." - Will end the scene and grant JENNIFER LOVING boost later

Bang minigame is quite simple. Just move your mouse around to set a pace she likes (keep the icons at the bottom of the screen close to each other).

Making she cum grants a (+15 CORRUPTION). Her response is based on current CORRUPTION value.
