## Freeloading Family

official walkthrough

up to date as of version 0.5

*Note: Not every possible selection is shown here. Only the options that are key to the best scenes, gaining points and/or future selections will be listed.*

*Points in Freeloading Family are mostly divided into two types - Perversion and Pacifism. The more perverted you are, the more aggressive your actions may be. The more pacifistic you are, the more people may try to take advantage of you. There is no right or wrong way to play, so play the game through with both sets of points to see different scenes!*

*Enjoy!*

  - Sneak -> **+1 Perversion**
- Go to Susan's Office
  - If **Pacifism >= Perversion**

  - If **Perversion > Pacifism**
    - You will get a handjob with a happy ending!
    - Just as noted above, this path has a "better" outcome, but Perversion path won't always be the best path to go down!

    - **Change Topic:**
      - **+1 Pacifism**
      - **Possibly the best way this conversation could go is if you take this route.**
- **When Leah Arrives,**
  - **Actually I saw pictures or Say Nothing**
    - **Actually I saw some pictures... -> +1 Perversion**
    - **Say Nothing -> +1 Pacifism**
- **Peek or Go to bed- No Points.**
  - **Peek**
    - **Continuing will get you caught and potentially change things for the future.**
    - **If you leave, you don't get caught.**
  - **Go to Bed**
    - **You hear yelling, enter the room, see the girls fooling around.**
  - **Choose whichever of these options you'd like!**

*As the game progresses, keep track of your points. There will be situations that can only be seen if you have more points of certain types, or if you've reached certain thresholds. Most players would be fine to have 2 main save files. One for Perversion Route, and one for Pacifism Route. If you find that you cannot get to certain scenes, use this walkthrough to ensure that you have the right points!*
