

Adventures of Willy Dickhard

© 2017-2018 by Nenad Asanovic

v015 enriched by Blup Blup

This walkthrough is in essence the same as provided by the developer. The original walkthrough is historical because the newest version is added at the end of the text file. However a newer version will almost certain change things seen or found earlier in the game than historically introduced. That can be confusing. And it is not the most efficient way to play the whole game. I decided to present the information from the provided walkthrough in a different way. That means that this walkthrough only works well for the latest version. By converting the text file to Libre Office – and afterwards exporting to a PDF – I can use color, font size, pictures and more to make it easier to follow. This is not an critique on the original version, just the benefits of lay-out tricks that are almost impossible in flat text...

The game starts with Willy in his bedroom and on top a black screen which explains the keyboard and mouse. Except in the map screens you can always toggle it with O. After that the most important key is H for a hint to do what is next. Useful if you don't use this walkthrough. The other is F5 to save, load or quit the game.

When you move the mouse in a screen the pointer can change in another icon. Most of the times it is a magnifying glass for investigating the **[object]**. Sometimes this is necessary to change the icon again in a grabbing hand to add the **[object]** to the inventory. That one opens automatically when you move your mouse to the top of the screen. In this enriched walkthrough I will use brackets around the object and color code the kind of object. Red is the default. For most of them I created an small image from the screen were it is seen or picked up. Those are shown at the start of a section and when possible in yellow the text used in the game which should roughly corresponds with the text between brackets.

If the object is a **[location]** the icon changes to a rotating arrow and a text where Willy goes if you click it. If the cursor changes to a talking mouth, you can speak with this person. I didn't create a separate color for this, but use normal language. After clicking a conversation screen opens with different lines to say. Feel free to start with the first one because they are funny or give additional background information. Sometimes a line will disappear, change in

a new one or extra lines are added. In this walkthrough I only highlight the important question(s) to ask indicated for example as “*I have some sexy photos of Miss Skye*”. The last line in a conversation dialog selection screen will close it and from now on I will not say explicitly that you must close the conversation.

The red and green objects are important for the storyline. However Willy is a collector. For example [trophy doll] (introduced in v004), [lingerie] (introduced in v009) and [photo set] (introduced in v014). There are also single photos – bit confusing, but will become clear when playing – and issues of the *Art of Pornography* magazine. For the moment I will see those as a normal object, but that can change in the future. After the page with the big red spoiler warning you can find small pictures taken from the screen were I point that a collectible item can be found. Most of them don't need this, but there are some hard ones which can still be overlooked even when you know it must be there...

Although the collectible items are not necessary for the adventure I will point to them. Pick them up if you wanna as Willy would say. Collecting is a nice side quest and the objects are fun to look at. That is done by clicking on the “*collection*” option left in the inventory balk. The magazines can be viewed by clicking on a page and yes you can go backwards as well.

The photos will clutter the inventory, but can be pinned on the ugly [painting] above the toilet in Willy's [bathroom]. Click on the [photo] in your inventory and drop it on the painting. If you hover the mouse over a photo the cursor will change and if the icon is not obvious, just try it out! After each section I will catalog the inventory, [dolls] and [lingerie] but not the magazine issues.

Miss Skye's blowjob

- Close the black screen by pressing O if it is still visible
- Grab the [car key]. Go to the [living room] by the door on the left side of the screen and at the bottom right corner to the [kitchen]. Now grab the [apartment key] and go back to the [living room]. There move your

mouse to the left and the living room expands. Click when the door becomes visible and Willy starts walking. During that you can click on the [out] arrow

- Use the [elevator] to leave the building. On the street Willy can find a 5 dollar note (introduced in v006). Not really necessary, but fun to look for. Click on the [car key] in your inventory and drop it on the car which shows [enter car]. This action will bring up the city map. For now there are two locations which shows when you hover the mouse over a balloon: [Home] and [Office]. Click on the last
- [Enter office] by clicking on the two big doors. Talk to Maya by clicking on the young girl who is working on the computer. Ask her *"How is your back?"*. Afterwards go to the [executive office] at the left and talk to Skye. If you select *"You look lovely today Miss Skye"* a sexy animation follows. The important one is *"Maya said you needed to speak with me?"*. Go back to the [employee area] and search for the [Skye bronze] doll, pick up the [weed] from Peter's bureau and the [photo] on the floor by Maya's chair
- [Leave office] and [enter car]. You don't need the [car key] anymore and the map will automatically pop up. Go [home], click on [weed] in your inventory and give it to [Stoner]. This starts the *Art of Pornography* (issue #1) magazine collection. [Enter building] and from now on Willy has to use the stairs because the elevator is broken. After entering a transition scene will automatically start. Use [stop peeking]. During the adventure new scenes are added and when Willy needs to visit his home I will say that a peek is worthwhile
- Go to [2nd floor] and [enter apartment]. On the [kitchen] table an [envelope] can be picked up. Enjoy the photos. Now go to the [bathroom] and pin the [photo] of Maya on the ugly [painting] above the toilet. This cleans up the inventory, but also unlocks her trophy doll. Hover the mouse above the photo and it will be clear what Willy can do...
- Drive to the [office], talk with miss Skye and enjoy the scene that follows. Afterwards search the [employee area] for the [Maya bronze] doll
- [Leave office] and say to Carlos *"I have some sexy photos of Miss Skye"* to get rid of the evidence. In exchange he will give you a [gold card]. Then ask *"So what's new with you lately?"* to open two new locations where his girls are working and waiting for senor Willy: outside to the right of [Rose bar] and on the left of [Majora Street West] (introduced in v008). Now search for the [Skye silver] doll and the [Maya (7)] photos

Platinum girl

- In the previous episode Carlos mentioned the **[Rose bar]**. Do not enter but move the cursor to the right and Willy sees a working girl. Not necessary for the adventure, but if you want to see what the **[gold card]** from Carlos is good for, talk with her 😊. In v009 collecting lingerie was added. For the first piece the **[fuse box]** in the alley must be investigated. Willy wonders what will happen if he presses the red button. Now **[enter bar]**. Say to Rose *"It's hot in here"* and the function of the red button becomes clear. Of course Willy will now say *"Give me your pantyhose"*
- For continuing with the adventure Willy needs to say *"I need to use the restroom"*. **[Enter office]** just behind Willy and click at her picture on the wall. Search for the **[Rose bronze]** doll. Willy can also find a duplicate photo of her by investigating **[Rose's purse]**. Afterwards the cursor

changes in the grabbing hand so you can take it. Go back to Rose and say *"I saw your picture in there"*. This will open the location of your friend Neal. Wait a few minutes to look at the strange girl. She has some random sexy animations...

- [Exit bar] and go to [Neal's place] and [enter building] through the green doors. Again investigate the [fuse box]. [Exit building] and speak with the [nervous guy] by walking to the far left. At the right of your screen is Daisy – one of your neighbors and aspiring actress – so ask her about *"Other drama schools?"*
- Drive to [Majora Street] and grab a fuse by clicking on the [small fuse box]. Willy can also find a 10 dollar note. Move your mouse to the left, click and search for the [Gabriella bronze] doll. Talk with Gabriella to start a transition scene. Afterwards search for the [Gabriella (6)] photos
- Willy remembers that he saw something about an escort girl service in [Majora Street]. On the same spot as Gabriella there is now a working girl. Ask her *"Do you take cash?"*. This seems rude, so feel free to do the whole conversation...
- Go back to [Neal's place] and drop the [fuse] in your inventory on the [fuse box] to repair the elevator. Click on the [elevator button] to see if it works. It becomes clear why Willy has to [use stairs]
- Find the [Claudia bronze] doll. Enter [Neal's apartment] and search for the [Claudia silver] doll and three sets of [Claudia (13)] photos. Ask Neal about *"restaurant reservation"* and this will open [Maria's house]
- [Enter villa] and ask Mrs. Maria *"I was wondering if you might do me a favor"* to get the reservation. Afterwards Mrs. Maria ask Willy to come back later
- Drive to [Majora Street] and walk to the working girl. Willy automatically gives the reservation. Although she is a platinum girl from now on Willy can ask *"I want to use your services"*

Nadya's imagination

- In the previous episode Willy promised to go back to Mrs. Maria, so go there and [\[enter villa\]](#). Nadya will tell Willy to leave his clothes in her room and join Maria and Diane by the pool. Walk right and [\[stairs up\]](#). The first door is [\[Nadya's room\]](#) and by clicking on her [\[bed\]](#) Willy changes into his swim wear. Search room for [\[Nadya bronze\]](#) doll
- Walk [\[downstairs\]](#) and click on the door left to [\[pool\]](#). Move cursor to the right and click when both Mrs. Maria and Diane are visible. There a transition scene automatically starts. Afterwards walk back to Mrs. Maria and Diane. Click either to ask *"What do you do here?"* followed by *"What do you ladies want to do now?"*. Nadya will interrupt and tell that Neal called if you could pick up Claudia. Walk left to somewhere between the two towels and at the bottom [\[enter house\]](#). Change to normal [\[clothing\]](#) by clicking on it in [\[Nadya's room\]](#)
- Go to [\[Neal's place\]](#) and talk to Claudia. Because Neal's car is broken she ask for a ride to Jeb village (new location). Willy and Claudia go there automatically
- It seems logical to explore Jeb Village. This is however a walkthrough, so I will spoil the fun. First click on the [\[cafe bar\]](#) and Willy discovers that it doesn't say when it opens. A little to the right he can go to [\[North Street\]](#)

and ask Erica *"You probably have many friends here"* and then *"Who's Dee Dee?"*. Go to [Main Street] and then straight ahead to [South Street]. There is a [peek through window] and of course Willy does that. A man objects this behavior and then asks if the bar is open. Go to the [cafe bar] and someone will yell that it is now open. [Peek through window] again. This time the man will leave. Go back to [Main Street] and check for example the [hotel] left. This starts automatically a transition screen with Dee Dee. Now search for the [Dee Dee (3)] photos and leave Jeb village...

- Willy promised to relax by the pool at [Maria's house]. Of course he must change to his swimming wear. Only Diane is at the [pool]. Ask *"Why aren't you sunbathing"* and promise to go to the [bathroom] which is located far right at the hall upstairs. When you start to go there a transition scene automatically starts. Enjoy! Search bathroom for the [Diane bronze] doll, [Maria (6)] photos and issue #2 of the *Art of Pornography* magazine. For that investigate all objects in the bathroom and pay attention to what Willy says...
- Go back to Diane and ask *"About sunscreen"*. Go back upstairs and get the key to Diane's room from the [antique vase]. Drop [Diane's room key] from the inventory on [Diane's room]. You can click on the laptop for some fun or just grab the pink [dildo]
- Now go to [Maria's room] and tell her *"Problems with Fiona"* followed by *"I dunno what to do about it"*. Enjoy! From now on Willy can always ask *"May I touch your boobs again?"*. Search room for [Maria bronze] doll
- Go to Diane by the [pool] but **DO NOT** speak with her yet!

Practice with Dee Dee

From now on there are two different paths: **mom** (incest) or **neighbor** Alan. If you want to play both paths you must save the game because both at the same time is not an option! **So press F5 and save your game!** Then speak with Diane and select *"Choose path"*. This will change parts of the game, but it will always come back to the main story. I will label from now on sections with **main**, **mom** or **neighbor**. The main part is of course the same for everyone, the other two are based on your choice. So the flow is main (all above this point), mom or neighbor, main and so on. Willy says to Diane that he promised to visit **mom** or **neighbor** Alan

- Go to [Nadia's room] and change. Search for [Nadya panties]. [Leave villa] and search for the [Nadya silver] doll

Mom

- This path has a new location [Mom's place] so go there. [Enter building] and go to [living room]. Grab the [valve] (first image) by the kitchen sink and search for [Violette (5)] photos. Click on the carpet near the two chairs and ask mom about *"Lunch time"*. Willy says he is going to visit someone in Jeb village first. End the conversation
- Now wait until mom starts touching her left boob. Immediately ask *"What was that?"*, *"Mrs. Maria has a new fountain"* and last *"About Mrs. Maria's statue"*. End the conversation. Wait again until mom accidentally reveals her right boob when fixing her dress and immediately say *"I saw your boob!"* and of course *"Comfort your mom"*. The conversation stops automatically. From now on Willy can ask *"Revealing boobs"*
- Go behind the two chairs and now wait until mom reveals both boobs. Immediately go into [mom's bedroom] – just left by the chairs at the bottom edge of the screen – where Willy can click on the [keyboard] and then grab the [printed picture]. Search for [Violette bra] and [Violette (6)] photos. Go back to the [living room], [apartment hallway] and [exit apartment]

Neighbor

- Go [home], [enter building] and click on [Alan's apartment] – right near the big window on the first floor. Ask Amanda *"I'm sorry... Am I early?"*, *"So how are you?"* and last *"I can't believe Alan is cheating on you"*
- Willy says he will check it by going to the [motel] in Los Labia. Walk to the left and investigate the [window] of room 4. Willy sees for himself that Alan is indeed cheating. Now [enter room] 5. You can switch the toilet light on, but even without it you can find a [valve] (fourth image) by the sink
- [Exit room] and go back to Amanda and tell her *"You were right..."*, *"You must be so lonely..."*, *"I love your dress. Did I say that yet?"* and last *"You could show your panties to me though..."*. After closing the conversation Amanda will start randomly showing naughty things. Willy can now always ask for *"Seeing Amanda's boobs"*. If you have seen enough, ask *"So are you still gonna make lunch?"* and Willy will say he is going to visit someone in Jeb village first. Click on [exit apartment]

Main

- Go to [Jeb village] and then [South Street]. Talk with Dee Dee *"About Carlos"*, *"More about Carlos"*, *"Why would you wanna become an escort girl?"* and last *"So you want to become an escort girl?"*. Willy promise her to talk with Carlos
- Drive to the [office] and tell Carlos *"I met a girl in Jeb village"*. Carlos asks Willy to do him a favor and practice with her
- Go back to Dee Dee. She is not by her house anymore. Go further south to the [village fountain] and tell Dee Dee *"I spoke with Carlos"*. Mr. Goat complains about the noise. Ask *"So will we practice now?"* and Dee Dee refuses because she moans loud. But Mr. Goat could not hear her when the fountain was working
- On the left go to [sewer entrance] and go inside [sewer]. There are four sets of pipes coming out of the wall. One is blocked by a rat. First click on the pipe opposite of the one with the rat. Willy says "Hmm...". Now click on the pipe where Willy entered the sewer. Willy now says "Hmm... interesting...". At last click on the opposite pipe. If done correctly the sound of water running through pipes will begin and Willy will say "Oh... something happened..."
- Go back to Dee Dee and say *"Let's practice now"*. Enjoy. Afterwards Willy can *"Ask for her panties"* (introduced in v014), then he **must** say *"Enough practice for today. I need to go now"*. Search for the [Dee Dee

bronze] and [Dee Dee silver] doll and [Dee Dee (4)] photos. Go to [sewer entrance] and search for [Dee Dee gold] doll and the [Dee Dee (6)] photos

The dolls, lingerie and photo sets are listed in the same order as in the collection from left top to right bottom. Because finding things in both path differ in timing the number is not always correct. Also I will add mom or neighbor according to path.

Claudia's threesome

Mom

- At this point I haven't see a clue what to do next. The hint (press H) suggests to visit [mom's place]. Ask her "Is it lunch time yet?". She will tell that Neal called for a favor. When Willy [exit apartment] he sees his sister Melissa arguing with Johnny. Talk to your sister and do all the lines until Willy can "Grab Melissa's ass". After that Melissa will go inside

Neighbor

- At this point I haven't see a clue what to do next. The hint (press H) suggests to go [home]. On the floor in front of Willy's apartment a [Amanda photo] can be picked up. Willy says he can use it to jerk off, so [enter apartment] and start walking to the [bathroom]. Now Willy sees that there is a voice message on his phone. Investigate the [phone] just left of the bedroom door and it will play the message from Neal. To clean up the inventory lets pin the [Rose photo] and [Amanda photo] on the ugly [painting] in the [bathroom] and let Willy fantasize...

Main

- Go to Neal and ask *"What do you need now?"*. This opens [Giulio's car service] on the map. Go outside and Willy hears a strange conversation in the drama school. Click on [drama school entrance] to investigate. Afterwards search for [Daisy bronze] doll
- [Go out] and drive to [Giulio's car service]. Here Willy can find a 20 dollar note (introduced in v006). Go to [back alley] and say to Giulio *"Neal sent me..."*, *"Anyway... Neal will need his car by tomorrow"* and last *"W... What should I tell Neal?"*. This opens the [treehole cabin] location on the map. Walk right and then [uphill]. Now search for a [rusty key]. Go again [uphill], move the mouse to the left until the next [uphill] appears. Take the [mountain gate key] from your inventory and drop it on the [gate]. At last Willy can go to the [cabin] where he will find the [package]
- Now go all the way back to Willy's car and tell Giulio *"I got the package..."*. A new option *"Job?"* (introduced in v006) appears. Ask this, but **NOT** the *"I need a job"* option that appears afterwards
- Because the package is delivered, Willy can now tell Neal that his *"Car will be ready"*. Depending on the chosen path Willy says that he promised **mom** or his **neighbor** something. A new option *"Need money"* appears (introduced in v006). Ask this because it opens a new location for work (yuck) or hilarious sex with old ladies. If you don't want to do that, don't ask the question 😊

Mom

- Offer *"Massage mom"* from the conversation lines with her. Ask *"Is this good?"* then *"Do it a bit harder"*, *"Massage mom continuously"* and of course *"Touch boobs"*. This opens the familiar sex options screen, but only with *"Stop"* and that almost disappears in the left light blue wall. The normal conversation appears again and for now choose *"Stop massage"*. Search for [Melissa bronze] doll. Go to [mom's bedroom] and

search for [Violette bronze] doll. [Exit apartment] and when walking to the car Willy says he has a boner which should be cured by a burping – do the non essential dialogue lines and you will understand this joke – Neal

Neighbor

- Go to [Alan's apartment] and tell Amanda *"You know I was thinking.."*, and off course *"Wanna make out?"*. This opens the familiar sex options screen, but only with *"Stop"*. From now on Willy can repeat this. Afterwards search for [Amanda bronze] doll. [Exit apartment] and when walking to the car Willy says he has a boner which should be cured by a burping – do the non essential dialogues for this joke – Neal

Main

- Go to [Neal's place] and speak with Claudia about *"Favor for Claudia"* and then off course *"I am ready for the threesome..."*. Not necessary but Willy can now compliment Claudia with *"You have such beautiful breasts"* or say *"I was wondering..."*. For another threesome Willy has to ask Claudia about *"Need pills"* (introduced in v006). Do this even if you don't want another threesome because it opens the [Hotaboo shop] location. You can now search for [Claudia's stockings] and [Claudia's panties]. [Exit apartment] and search for the [Claudia (5)] photos. [Use stairs] and search for the [Claudia platinum] doll. Remember repairing the elevator?

Surprise for Dee Dee

Mom

- At this point I haven't see a clue what to do next. The hint (press H) suggests lunch at [mom's place]. After [enter building] a transition scene will automatically start. Next search for the [Leonora bronze] doll
- Go to [Melissa and Julia's room] and search for the [Julia bronze] doll. Tell Julia *"You look quite pretty today"*. Speak with Melissa and *"Talk about Julia"*. During the conversation Willy needs to pee and Melissa will give him the location of the spare bathroom key. Go to the [apartment hallway] and check the middle upper [drawer] to find the [bathroom key]. Drop this on the [bathroom] door
- Going anywhere in the bathroom triggers a conversation from Willy. Not necessary for the adventure, but watch mom for sometime. There is a 50% chance she will touch her boobs. If she does that there is a 20% chance she will start masturbating or else washes her face again. Search for the [Violette silver] doll (no photos?). Willy doesn't have the confidence (introduced in v009) to pick up her lingerie
- Go to [Melissa and Julia's room] and say to Julia *"Phew! That was close"*. At the end Willy says he has to go to Jeb village

Neighbor

- At this point I haven't see a clue what to do next. The hint (press H) suggests lunch with Amanda. When entering [Alan's apartment] a transition scene will automatically start. Afterwards search for the [Eve bronze] doll. Speak with Eve about *"Amanda under shower"*. That becomes embarrassing so Willy blurts out that he must go to the [motel] in Los Labia now!
- There another automatic conversation starts. Enter through [door] of room 2. You know why if you did earlier more investigation than the minimum I tell you to do ☺. Search for the [Emanuelle bronze] doll. At

the right just above the bed Willy can go to the [bathroom]. Another automatic conversation starts and Willy says he needs to go to Jeb village. But first search for the [Emanuelle silver] doll

Main

- When Willy arrives at [Jeb village] he sees Amelie by the pizzeria. Ask her *"Do you know Dee Dee?"* and she tells about a fight between Dee Dee and Erica. Search for the [Amelie bronze] doll. Go to [North Street] and *"Ask about fight with Dee Dee"* from Erica's conversation lines. She tells about a huge dildo she threw away because Dee Dee was obsessed with it. Now go to Dee Dee and *"Ask about Erica"*. She tells the dildo was real expensive and bought at the [Hotaboo shop]
- At the moment Willy has found some money on the streets, but probably not enough for buying things. If the amount is not shown at the right top corner of the screen, press M to show and N to hide again. Willy has a [credit card] at the bookshelf in his apartment. That can be used in the ATM at [home] or [mom's place] if you play that path. A location with an ATM has a small blue dollar sign. However the amount in his bank account is only 750 dollars and that is still not enough for everything
- Therefor in v006 three jobs were introduced. The first was asked by Giulio and involves getting a package from the top at [Treehole cabin] back to him. It pays randomly between 1 and 1,000 dollars. If Willy has enough money there will be no job from Giulio! The other two were suggested by Neal. In [Port Duck] Willy can move up to 20 boxes at a time from one end of the warehouse to the other. It pays randomly between 20 to 40 dollars per box and is afterwards transferred into Willy's bank account. On the street Willy can also find a 10 dollar note. The last one is sex with old ladies and for now the only one is Martha in [North Street]. Say *"You sound a bit sad..."* and do all the lines that follow. Because the whole point is earning money you must watch it all 😊. Afterwards she gives randomly between 100 and 400 dollar. Travel at least back to [Main Street] if you want to do it again. From now on there is a 40% chance that Willy can *"Help Martha with loneliness"*
- Working for money – except may be the last one – is not fun. And things get really expensive, so in v008 a money cheat was introduced to solve all Willy's problems. In the miss Skye episode Carlos said that another of his girls was waiting at [Majora Street West]. There in front of the "Fart sales" shop is a money pile. Willy can grab as much as he wanna 😊. If needed Willy can also drop money back by buying farts from the shop owner. To the left is Carlos' platinum girl, but she will do gold service – only regular sex – as well. Enjoy...

- As a start take 10,000 dollar and go to the [Hotaboo shop]. Willy grabs the [Domina bronze] doll on the counter for 99 dollar. Ask the domina “*I want to buy a dildo*”. Willy gets a replacement for free after explaining the situation
- Go to [Jeb village] and give the [realistic dildo] from your inventory to Dee Dee. An automatic conversation starts in which Willy suggest that the dildo could be used as an introduction for threesome sex. Tell her “*Let’s practice now*” if you want to see the two new sex positions

Maya’s interrupted handjob

- At this point I haven't see a clue what to do next. The hint (press H) suggests *"Report on Dee Dee's progress"* to Carlos. At the end of the conversation he tells that Maya is waiting at the [cinema] (new location), so go there. If you click on the first [sign] left (movie Dark) you get the option to view it on the Youtube channel of the developer. Talk to Maya and you will both enter the cinema. Ask the ticket seller for *"Two tickets for 'Life is a mess', please"*, *"I would really like to see this movie"* and last *"Can you give me a hint?"*
- The hint won't help, but Willy thinks about asking Carlos. Ask him *"Can you help me with something?"*. This will open the [Los Labia] location. Don't confuse with the [motel] in Los Labia when you play the **neighbor** path!
- Go to [Los Labia South] and try to enter the [alley]. The puppy begins to bark and Willy is afraid of dogs. Ask Mrs. Camila *"Is that your dog over there?"*. She will tell you it is Charlotta's dog. Go left to [Main street] and ask Lucas *"Do you know Charlotta?"*. Of course, it's his wife. But before he will call her Willy has to get a car part from Giulio
- Drive to [Giulio's car service] and ask him *"Lucas sent me... He needs..."*. The [car part] will be added to your inventory. Go back to [Los Labia] and say to Lucas *"I have your car part from Giulio..."*. Afterwards Charlotta will move the puppy. Search for the [Charlotta bronze] doll
- Now go into the [alley] and Willy sees Selina, sister of Carlos and wife of Hoyt. Willy can go to [roof] (stairs) or [backyard] (right of the stairs). In the backyard ask the guy in camouflage *"Are you Hoyt?"*, *"I wanna see movie at the cinema..."*
- Now we start a side quest in Willy's adventure: find out why Selina is very good at future telling ☺. Enter [Selina's house] and ask her *"Can you read my future?"*. She tells that her hand doesn't slide on the crystal ball very smoothly. Then ask her about the *"Ancient book"*. If Willy finds any missing pages she will tell his future for free. Ask *"Hint about ancient book pages"* and Willy gets these three hints about the locations:
 1. Where the wind blows and then it suddenly stops
 2. In front of door of big mouse hole
 3. And by the car that only sits on the road
- From previous encounters it is clear that Willy should now look for a [Selina bronze] doll. The only place in the neighborhood of Selina not visited yet is the [roof]...

- A fourth page of the ancient book can be recovered by asking Mrs. Camila *"I am searching for pages from an old book"*. She has found one, but wants a rose for it. Willy remembers the roses by Mrs. Maria's new fountain. The third clue is obviously the car Lucas is repairing. Use the image above if you can't find [page 1]
- For now let's go back to the [cinema] and ask the ticket teller *"Can you give me a hint?"* again. After mentioning Hoyt he blurts out that Gloria Star has rented the VIP room. That is the same person who owns the restaurant for which we got a reservation in the second episode. So go to [Maria's room] and ask *"I need another favor from you"*. Willy gets the [VIP theater special]
- Go to the [cinema] again and now talk with Maya. This conversation is a little bit strange, but she and Willy automatically see the movie. Watch it as well. It is a strange movie and Willy says so. This leads to an unfinished handjob from Maya. When she leaves Willy says he will just return the VIP pass to Mrs. Maria. But first search for the [Maya silver] doll
- Say to Mrs. Maria *"Thank you for this VIP pass"*. She sees Willy's excitement and offers help. Enjoy! From now on he can ask *"Can you help me like before"* for a repeat. Afterwards ask first *"Do you have some hand cream"* to get a tube of [hand cream] and then *"Tell Mrs. Maria about your plans"*. Willy will explain he promised his sisters (**mom**) or a friend (**neighbor**) to visit the beach. But before we do that, let's get a rose first. Change to swimming wear in [Nadya's room] and go to the [fountain]. Search for the [Maria silver] doll. Investigate the [roses] and Willy will pick one for his inventory
- At this point Willy can visit [Diane's room] (introduced in v006) however for now it is only jerking off on a sleeping Diane. Later in the adventure it is much more fun. But if you want, do it while still in swimming wear because then the scene goes much further than fully clothed 😊

Found items:

The dolls, lingerie and photo sets are listed in the same order as in the collection from left top to right bottom. Because finding things in both paths differ in timing the number is not always correct. Also I will add mom or neighbor according to path.

Relaxing at the beach

Mom

- Go to [mom's place] and ask Julia *"Where's Melissa?"*. She tells that Melissa already went to [Cool bay beach] (new location), so go there
- Walk right to [Middle beach] and [Lone beach] to find Melissa. Do all the conversation lines until *"Use sunscreen"* appears. With that one Melissa wants to know the exact time. Go back to the [beach entrance] and ask the old couple for the time. They will eventually tell the time. Go back to Melissa and say *"It's 3:20 and... OH MY GOD!"*, *"Compliment your sister"* and last *"Undress and touch her ass"*. While touching her ass say *"Melissa?"* and she will ask Willy to tell Julia that she needs to help mom wash her back. Search for the [Melissa silver] doll
- Go back to [mom's place] and tell Julia *"Help mom wash her back"*. She doesn't want to do it so of course Willy offers to do it. Go to [bathroom] and (photos?) tell her *"Sorry I didn't mean to scare you"* and then *"Undress and help mom wash her back"*. Now ask *"Is this good"* and at

the end Willy's dick says they need to buy pills for more confidence. The buying of pills implies a visit to the [Hotaboo shop]

Neighbor

- Go [home] to [Alan's apartment] and search for [Amanda's bra]. Ask Eve *"Where's your mom?"* and she will tell her mom went to [Cool bay beach] (new location). Walk right to [Middle beach] and [Lone beach] to find Amanda. Do all the conversation lines until *"Give Amanda sunscreen"* appears. With that one Amanda wants to know the exact time. Go back to the [beach entrance] and ask the old couple for the time. They will eventually tell it. Go back to Amanda and say *"It's 3:20... Wow! You... You're naked..."*, *"So would you let me touch them?"* and of course *"Can I touch your boobs?"*. Then *"Undress and touch Amanda's boobs"*. While touching her boobs say *"Amanda?"* and she will ask to tell Eve to stay at home until a package is delivered. Search for the [Amanda silver] doll
- Go [home] to [Alan's apartment] and *"Tell about package"* to Eve. She will tell that Stella is already waiting for her in [Majora Street]. Willy offers to go there and tell that Eve is going to be late. Ask the girl *"Hello young lady. Is your name Stella?"*. Willy lacks confidence when talking with pretty girls and thinks about asking the domina at the [Hotaboo shop] if there are pills that will help. Search for the [Stella bronze] doll (introduced in v007)

Main

- In the [Hotaboo shop] *"Ask about self-confidence pill"* and the domina will explain that Willy must ask Selina for a batch of indigo essence scent
- Go to [Los Labia] and first tell Mrs. Camila *"I've a rose for you"*. In exchange she gives you [page 4] of the ancient book. - After giving rose to mrs Camila in los labia (for page of ancient book) you will be able to make her "feel young again" behind the wall. This way willy will earn some money. She will offer 1000 pusos (in game \$55) and this option is open always after she get rose. (introduced in v015)
- Go to [Selina's home] and *"Ask about essence"*. In the explanation she starts saying "Where the wind blows and then suddenly stops..." when Willy interrupts that it is at the top of [Treehole cabin]. So if you didn't figure that out from the first clue in the previous episode, it's now clear where another page can be found. Forget the rest of the explanation. This is a walkthrough, so I'll tell you what to do ☺
- If you want to know why Selina is very good at future telling, give her the [hand cream] and ask *"Can you read my future?"*. In the following sex

options screen only “Cum” is available. You can probably guess what the pages will do. Page 1 is the behind position, page 2 is for a blowjob, page 3 is the missionary position and page 4 is for anal. You can now try by giving the pages in your possession. The [Selina silver] doll unlocks by giving the [hand cream] and the [Selina gold] doll is the reward for [page 4]. Remember where you found her first doll?

- Go to [Treehole cabin] and walk up to the [fence]. If you asked Giulio about a job in the practice with Dee Dee episode – you did do what I told? – you can now search for the [Giovanna bronze] doll (introduced in v006). Go to [cabin] and on the same spot where the package for Giulio stood Willy can grab [page 3]
- Finally go to the [lake] (right). You see an yellow, blue and red flower. Grab the [red flower] and it will add a [red petal] to the inventory. The red petal can be dropped on the [rug] at the end of the dock. Repeat with a blue petal and the click on the [rug]. The petals will disappear and in your inventory is now a [purple essence] and this is one Selina mentioned. Create in the same way (see below) a [green essence] and [blue essence]. Now click on the [green essence] in your inventory and drop it on the [blue essence] to make the [turquoise essence] Selina mentioned. And combining the two essences left gives the wanted [indigo essence]. If you create a wrong essence, just click on it and drop it in the [water]. If afterwards you still have petals in your inventory, combine two to create an essence and drop that in the [water] as well. If needed you can always pick an extra petal. To summarize the steps:

- | | |
|---------------------------------|-------------------|
| 1. red and blue petal | purple essence |
| 2. yellow and blue petal | green essence |
| 3. blue and blue petal | blue essence |
| 4. green and blue essence | turquoise essence |
| 5. purple and turquoise essence | indigo essence |

- Go to Selina and say “I have indigo essence” and she will give Willy [indigo essence scent]. Drop the found [page 3] on her to clean the inventory. Of course you may see what this does on her prophecies...
- Go to the [Hotaboo shop] and say “I have the indigo essence scent... thing” to the domina. Willy asks to spray the free sample on him and now he has more confidence. Buy the new *Art of Pornography* issue #3 on the counter for 20 dollars

Mom

- Go back to mom and test Willy's confidence in the [bathroom]. For example he can grab her [stockings with garter] for his collection. Do the *"Undress and help mom wash her back"* again, *"Ask mom about her boobs"* and watch what happens now. At the end mom ask if Willy don't need to go back to Melissa?
- So go back to Melissa on the [Cool bay beach]. *"Undress and touch her ass"*, *"Tell about mom"* and of course *"Talk to your sister"*. From now on Willy can *"Fuck your sister's ass"*. Afterwards *"Stop touching ass"* for this dialogue and say in the normal dialogue *"I need to see how Daisy is doing"* (introduced in v010)

Neighbor

- Go back to Stella on [Majora Street] and test Willy's confidence by saying *"You look very pretty"* and then *"Do something very dirty!"*. Willy can also collect [Stella panties] with *"Ask her for panties"*
- Finally go back to Amanda on the [Cool bay beach]. *"Undress and touch Amanda's boobs"* and *"I want to ask something..."*. From now on Willy can say *"Lets fuck again!"*. Afterwards *"Stop touching boobs"* for this dialogue and say in the normal dialogue *"I better go now and check up on how Daisy is doing"* (introduced in v010)

Main

- In the previous episode Willy promised to check how Daisy is doing after leaving the drama school when she found out what a pervert the instructor was. Go [Home] and take a [peek] in your neighbors apartment on the first floor and enjoy ☺. Go to [2nd floor] to find a new girl. For now talking with her is just an introduction. Do however investigate the [box]. Search for the [Daisy silver] (introduced in v009) and [Jux Apo bronze] doll. Then enter [Daisy's apartment], search for the [Daisy (7)] photos and ask *"I could ask someone for help..."*
- Go to [Neal's place] and ask Claudia about *"Help for Daisy"*. This dialogue starts a transition scene where Claudia introduces Willy to Mia. Afterwards ask her *"I need a favor"* and then *"So what is the Doll house?"*. Search for the [Mia bronze] doll
- Click on Willy's car and go to the [Doll house] (new location). Ask the sitting person *"Are you Nemad?"* and then *"Mia sent..."*. Nenad promises Daisy the main role if Willy can find the entrance of the Doll house. Go to right side and investigate the [rock]. Willy can't read the carvings and wonders if Selina has some "magic" potion for that. Go back via the [forest path]

- Drive to [Los Labia] and say to Selina *"I need your help again..."* to get [liquid cleaner]. Afterwards *"Ask for her panties"* and add [Selina panties] to the lingerie collection
- Go to the [Doll house] again and use [liquid cleaner] in your inventory on the [rock]. If successful it becomes a [puzzle rock]. Because some people can't solve a simple sliding 8-puzzle in v012 a cheat was introduced. So now Willy has two options. The first is investigating the [puzzle rock] and solving the puzzle. In that case a ninth piece appears in the empty space. The second option is going back to Nenad and saying *"I dunno how to solve that puzzle"*. With that an auto solve is added. Now investigate the [puzzle rock] and use the added option. Whatever choice you use – you can try it first and when failing ask Nenad for adding the auto solve – after seeing a complete puzzle click *"Exit"* and see what happens ☺. Willy can ask the mysterious girl what it is all about, but the real fun is for a later version. Return via the [forest path] and say to Nenad *"I found the entrance to the Doll house"* and he tells that Daisy needs a recommendation from her drama school. Now search for the [mysterious girl bronze] doll
- Go to [Neal's place] and click on the [drama school entrance]. Say to the drama teacher *"I wanna talk about Daisy..."*
- Go [Home] and say to Daisy *"I have a surprise for you"*. At the end Willy says that he needs to tell Mia that everything worked out
- Go to [Claudia's street] (new location) and say to Mia *"I found that Nunod guy..."* and at the end she will say that Claudia is looking for him. Go right and enter [Claudia's apartment]. *"Tell what happened"* and then at least *"Claudia...?"*. Enjoy ☺. From now on Willy can ask *"Claudia... I wanna fuck you"* just as she said. After the sex say *"I guess I'll go home now... I need some rest"*. [Exit apartment] and search for the [Claudia silver] doll
- At [home] in front of Willy's apartment miss Skye is waiting. Ask *"What are you doing here?"* and afterwards investigate the [chair] in his bedroom. Drop [Fiona's stockings] from the inventory on miss Skye and enjoy again!

Need a drink

- After the sex say to miss Skye *"I need a drink now"*. Willy tells he is going to [Rose bar]. If you play the **mom** path, clean the inventory by pinning the [Rose photo] and [Mom photo] on the ugly [painting] in the [bathroom] and let Willy fantasize. Go [out of building] and search for the [Skye gold] doll
- This is the first time after the platinum girl episode Willy has a reason to visit [Rose bar] so the following is a bit awkward or strange with Mary standing there. However speak first with Rose and *"Ask her to give you her panties"* (added in v009) to add [Rose panties] to the lingerie collection. Then ask *"Do you know Sophie"* (added in v005). Now ask Mary *"About Fiona"* and then *"Talk to Rose and Mary"*. End the conversation and Willy will say he's going to the beach. But first [enter office] and search for the [Rose silver] doll, then [back to bar] and search for the [Mary bronze] doll

Mom

- Go to [Cool bay beach] and “Talk about Julia” with Melissa. Go to [mom’s place] and talk with Julia until the line “Kiss Julia” appears. Use “Stop” to end the lesson and go to the [living room] and search for the [Julia silver] doll. Now go to the [bathroom] and use “Undress and help mom wash her back” and use the new line “Grab mom’s boobs without warning”. Enjoy ☺
- After mom’s help, Willy can go to [Cool bay beach] and say to Melissa “I spoke with Julia...”, then “Melissa? I wanted to ask you something...” and of course “Ask for blowjob”. Stop this with “Cum” (right, barely visible in the sky) and then “Ask for her panties”. Go to [middle beach] and search for [Melissa gold] doll

Neighbor

- Go to [Cool bay beach] and do the line “Check Eve” with Amanda. Go [home] and enter [Alan’s apartment]. Eve is not standing in the dining room anymore, so use the [door] and the enter [Eve’s bedroom]. She is now very shy, so talk with her until the line “Make out with Eve” appears. Use “Stop” to end it and Willy’s dick suggests to visit Emanuelle in the [motel]. But first search for the [Eve silver] doll
- Enter [door] of room 2 and there Emanuelle is blindfolded and therefor not knowing who entered. Willy will “Say nothing”, “Suck” and enjoy ☺. Now go to the [bathroom] and pick up [Emanuelle panties], go back and again “Say nothing” and then “Fuck”. Go back to the bathroom and search for the [Emanuelle gold] doll

Mia's insurance document

Main

- At this point I haven't seen a clue what to do next. The hint (press H) suggests visiting Neal. Tell him *"I met Mia earlier today"* and he ask Willy to check with Claudia if she already arranged the promised threesome
- Go to [Claudia's street] and search for [page 6] (introduced in v015). Enter [Claudia's apartment] , search for [Mia (5)] photos and *"Ask about threesome"*. Willy says he will find out why Mia is still waiting outside. Say to Mia *"Claudia said she has some wine..."* and she says she is still waiting for Nenad to bring her a document. Of course Willy promises to remind Nenad about it...
- Go to the [Doll house] and say to Nenad *"Mia is asking for you..."*. He says he forgot to get an insurance document and that the Duck City Insurance office is now closed. Remember were Willy works?
- Go to the [office]. In the previous episode Willy talked with Rose about Sophie so now he can speak with her. For the moment this is not necessary for the adventure, but do search the [Sophie bronze] doll. [Enter office] and investigate the [desk]. Willy doesn't find the right document and suggests to try [Maya's laptop], but it is password protected. This opens [Maya's street] on the map so drive there...
- [Enter building] and tell Maya *"I need your help with something"*. Willy gets the password of her laptop. Search for [Maya (6)] photos
- Go back to the [office] and now [Maya's laptop] says the document is in the [drawer]
- Go to [Claudia's street] and enter [Claudia's apartment] because Mia is not standing outside anymore. Both are in the [living room] so speak with Mia – or Claudia, because both have the same dialogue – and say *"I have that insurance document you needed"*, then *"Ask about threesome"* and of course *"Talk more about threesome..."*. This opens a transition scene in which Willy says that maybe the domina has some magical formula
- At the [Hotaboo shop] Willy has to *"Ask for endurance pill"*. The domina will give a free recipe. So ask *"Where can I find these things"* and she refers Willy to Selina
- Drive to [Los Labia] and ask Selina *"Can you help me with a recipe"*. She will tell were the three needed ingredients can be found or made. Willy has to collect them all, but in which order is not important. I choose to do them in the order mentioned (page 6 is found!?)
- First is red essence. Remember the confidence pill in an earlier episode were Willy had to make essence from flower petals at the top of [Treehole

cabin]? Click on the [red flower] to get a [red petal] in your inventory. Drop this on the [rug] and repeat. Then click on the rug to dry the petals to [red essence]

- The [enduro herb] can be found in front of the [sewer entrance] in [Jeb village]. At this point Willy didn't collect the second page of the ancient book. The clue was *in front of door of big mouse hole*. If you go inside the [sewer] Willy can find a rat. The clues from Selina are confusing and the rat is probably the mentioned mouse. Search in the rocky and weed part before the entrance and pick up [page 2]
- Now drive to the [hospital] (new location) and [enter ambulance]. Try to enter [hospital room] and Dr. Scarlett will tell Willy that he doesn't look sick. Of course Willy's dick has an idea to get 'sick'...
- Go to [Giulio's car service] and Giovanna is now standing in front of the building. First search the [Giovanna silver] doll and then ask "*Can you show me your boobs?*". Let the animation run until Giulio comes running and Willy faints. That will transport him into the hospital room...
- Click on the [drawer] (eighth picture) to get [erectile dysfunction pills] in your inventory. Now use the [valve] to crush them to [erectile dust]. Drop the [enduro herb] on the [red essence] to get [enduro gel]. Now make it stronger by dropping the [erectile dust] onto it. Now click on the [strengthen enduro gel] and Willy will use it on his genitals. You can however do it in other places which could be funny ☺. Search for the nurse [Candy bronze] doll and [exit room]. Ask Dr. Scarlett "*How are you today Dr. Scarlett*" and [exit ambulance]. Search for the [Scarlett bronze] doll
- Now go back to [Claudia's apartment] and say to them "*I'm sorry about what happened last time*" and enjoy ☺. After the threesome a new dialogue line "*Fuck Claudia alone*" appears (introduced in v013). This gives the sex animations with her alone. This is not necessary for the main adventure, but saying "*I have to go visit a friend now...*" is. Search for the [Mia silver] doll, [Mia platinum] doll, [Mia (4)] photos and in the [kitchen] [Mia panties]
- Go to [Maya's street] and say "*Thank you for your help today...*". Enjoy again ☺. Afterwards ask about "*Best friends*" and then "*I wanted to ask you something*" to add [Maya panties] to the lingerie collection. For continuing with the adventure say "*I need to go now*" – not the last line! – and it becomes clear that Willy has to visit **mom** or **neighbors** daughter

- Go to [Cool bay beach] and *"Talk about job"* with Melissa. She wants to work at the [Hotaboo shop]

- Go to [Rose bar] and ask Rose *"Do you need help maybe?"* and she says to try the [Hotaboo shop]

Main

Speak with the domina and *"Ask about job"*. She will refer Willy to her daughter Angel in the [clothing section] - bottom right just above the glass display. Speak with Angel and *"Ask about job"*. Not necessary for the adventure, but for buying dresses Willy must ask *"I would like to buy something"* and Angel will say that she needs indigo essence from Selina. This also unlocks two dolls in the main shop area. Search for the [Angel bronze] doll and buy the [Domina silver] doll for \$ 199

Mom

- Go back to Melissa and say *"I asked domina for a job for you"*
- Go back to mom and say *"I got a job interview for Melissa"*, then *"Can you give me your panties now?"* and at last *"Mom, I'm horny"*. Enjoy 😊. Afterwards say to her *"I need to go visit Mrs. Maria"* (introduced in v014)

Neighbor

- Go back to Stella and say *"I asked at the bar, but Rose didn't need anyone at the moment"*. In that conversation Willy will tell about the job in the clothing section of the Hotaboo shop and that he will now go to Eve
- Go back to [Eve's bedroom] and say *"I found a job for Stella"*. She will say that her mother is back from the beach and wants to speak with him. She will also give Willy her picture. Now go to [Amanda's room] and enjoy 😊. Afterwards search for [Amanda panties], [Amanda gold] doll and [Amanda (7)] photos. Now say to her *"I need to go visit my mother-in-law"* (introduced in v014)

Found items:

The dolls, lingerie and photo sets are listed in the same order as in the collection from left top to right bottom. Because finding things in both path

differ in timing the number is not always correct. Also I will add mom or neighbor according to path.

Lady Gloria

Main

- Go to [Maria's house] and ask Mrs. Maria *"What are you sexy girls doing here?"* and then *"So... is Diane going with you two?"*. Willy says he could check on Diane. Go to her room and when entering a transition scene with Nadya will start. She put a sleeping pill in Diane's drink earlier that day so she won't wake up. Go back to Mrs. Maria and say *"I dunno how to tell you this, but..."* and lady Gloria will mention that she didn't get an answer from Nenad yet. Now ask Gloria *"You know that Memad guy?"* and Willy discovers that she is the owner of the Doll house. Willy promises to tell Nenad that he must read his mail
- Go to the [Doll house] and tell Nenad *"Lady Gloria needs you"* and at the end of the conversation Willy asks for the *Art of Pornography* issue #4. Look on the last page to find something about Gloria
- Go back to [Maria's house] and tell Gloria *"I told that Nived guy that he needs to contact you"*. Willy ask about her posing in the magazine. Mrs. Maria says she bought the issue and maybe Nadya knows where it is now. Go to her room and ask *"Mrs. Maria said you maybe have a magazine"*. She thinks she left it at the [hospital]
- Go there and *"Ask about magazine"* from Dr. Scarlett. She says Hoyt took it
- Go to [Los Labia] and ask Hoyt *"Did you take a magazine from the hospital?"*. He gave it to Lucas, but before going there remember that Angel needs indigo essence scent for opening the clothing section in the Hotaboo shop. So enter [Selina's house] and first give [page 2] to unlock the **last sex scene** with her. Then ask *"Angel, from Hotaboo needs indigo essence"* and Willy gets it without the trouble of making the ingredients himself...
- Now go to [Main street] and *"Ask about magazine"* from Lucas. Of course he gave it to Fausto. Got to [Los Labia north] and finally grab the [magazine] 😊. Willy says that he can now go to the [cinema]. But before that you can read the magazine by going to this collection (issue #5) if you want...
- [Enter theater] and *"Tell about magazine"* to Maria and Glora. Afterwards say *"So did you see that movie?"* and then watch something from Gloria's private collection. Speak with them again and say *"That movie was awesome!"*. You can watch the movie again and this time you can skip it any time by pressing the Esc on your keyboard. In the goodbye dialogue Willy's dick suggest to punish Nadya but before leaving search the [Gloria bronze] doll

- Go to [Maria's house] and say to Nadya *"I think I need to punish you"* and then *"Time for punishment!"*. Enjoy ☺. Afterwards search for [Nadya's bra] and say *"I need to check Diane"*
- Go to [Diane's room] and... well use her if you like to. Afterwards search for the [Diane silver] and [Diane gold] doll. Also investigate the [envelope]. That will open the [Orion Star hotel] on the map

Let's cuddle

- At this point I haven't seen a clue what to do next. The hint (press H) suggests talking with Nadya again. So go to [Nadya's room] and *"I will consider how to punish you more"*. At the end Willy says he needs to check Julia (**mom**) or Eve (**neighbor**). [Leave villa] and search for the [Gloria silver] and [Nadya gold] doll

Mom

- Go to [Mom's place], [Melissa and Julia's room] and search for a [photo] of Julia. Now say to her *"I just came to check on you..."* and she will tell that aunt Leonora isn't answering the telephone. Willy offers to go there
- Go to [Minora town] (new location) and first search for [page 5]. Now enter [Aunt's house] (white door at the right) and say to her *"So what are you doing now?"*, *"Julia tried to call you earlier..."* and last *"I'm going to say hi to Isabel"*. Go to [Isabel's room] and say to her *"Julia sent her greetings to you..."*, *"You look happy today"* and then *"So what's going on with you?"*. Now search for the [Isabel bronze] doll, go to the [living room] and search for the [Leonora silver] doll
- Go back to [Mom's place] and tell Julia *"I told aunt Leonora we would go there this weekend"*, *"Talk about cuddle"* and then of course *"Let's cuddle"*. Enjoy 😊. Afterwards *"Talk about cuddle again"* and that opens the option to do it again. Go to [living room] and Willy's dick suggests a visit to Claudia and Mia

Neighbor

- Go [home], enter [Alan's apartment] and say to Eve *"I came to see how you're doing"*. She will tell Stella wants to talk with him and that she lives in [Minora town] (new location), so go there...
- Search first for [page 5] and then enter [Stella house] (red door at the left). A transition scene will start and this opens the dialogue with Stella. Say *"Eve said you needed to talk to me"* and then *"I still don't get it..."*.

Now speak with Leila and say *"Your name is Leila?"* and *"So you two live her alone?"*. Now search for the [Stella silver] and [Leila bronze] doll

- Go back [home] and say to Eve *"Stella only wanted to thank me..."*, *"About cuddle"* and then of course *"Let's cuddle"*. Enjoy ☺. Now go to the [hallway] and Willy's dick suggests a visit to Claudia and Mia

Main

- Go to [Claudia's street] and Enter [Claudia's apartment] and say *"Mia... I wanted to ask you something..."*. Willy promises to go to Ninged... err Nenad and ask him about the package
- Go to the [Doll house] and say to Nenad *"Mia said..."* and he will tell that the package is still at the [Hotaboo shop]
- Go there and say to the domina *"Mr. Nomub sent me"* and she will tell that the package will be done tomorrow
- Go back to [Claudia's street] and tell Mia *"I found that Nomot guy again..."*. From now on you can have sex with Mia or Claudia alone or both of them together. **Because of a bug the [Mia gold] doll can't be found**

To do:

- Check yellow marker lines in next play
- Selina photos are visible in the alley in v012, maybe even earlier? (can't pick them up, bug in v015 => 5 photos according to developer)
- Check finding page 6 earlier in game and when to give?
- Check mom photos (bathroom = 3) and Amanda photos (earlier in game?)
- Incorporate the following loose ends in future versions

Loose ends

As said at the beginning, this walkthrough is based on the most efficient way to finish the latest episode. I didn't create a separate episode for v006 because that was all about the money system. Parts of earning or spending money are included at the most logical point in the episodes above.

The total (introduced in v009) of hidden dolls – unique dolls in a path have a counterpart in the other path – is 70 and at the moment 57 (**mom**) or 58 (**neighbor**) are collected. I will now walk you through collecting the remaining dolls. In the future I will move some of them to an episode when we have to visit a place where the doll/lingerie/photo set can be unlocked or found.

- In your inventory is a [Julia photo] (mom) or an [Eve photo] (neighbor). Willy can pin the photo on the ugly painting in his bathroom. Also take a peek on the first floor, there is a new animation
- Go to [Giulio's car service] and ask Giovanna *"I... I wanna suck your boobs again"*. Let the animation run until Giulio comes running and Willy faints. That will transport him into the hospital room. Now search for the [Scarlett silver] doll
- Willy has found two additional (page 6 much earlier, see above) pages from the ancient book. Go to Selina and drop [page 5] (cowgirl) and [page 6] (reverse cowgirl)) on her and check out the new sex positions by asking her *"Can you read my future?"*

Hotaboo shop

In the [Hotaboo shop] (introduced in v006) is a lot for sale. Willy has visited it many times for the main adventure, but in this part I explain the rest.

- After the threesome with Claudia and Neal the Hotaboo shop appears on the map if the *"Need pills"* dialogue is used. A package of ten pills can be dropped on Claudia which gives Willy that number of threesomes again. However in the Fiona's stockings episode Claudia moved to her apartment so for the moment *"Buy pills"* is meaningless
- The *"Buy lubricant \$ 200"* is interesting. First go [home] and drop the [lube] from your inventory on miss Skye (introduced in v010). A new option is available after asking *"Can we do it again?"*. Buy another tube and go to [Nadya's room] and drop the [lube] from your inventory on her as well (introduced in v015) and say to her *"Time for punishment!"*. The positions anal jump and rough anal are added to the sex positions. The following doesn't work after threesome with Mia? Buy another tube and go to [Claudia's apartment] and drop the [lube] from your inventory on her as well (introduced in v011). This will open two new options after asking *"Claudia... I wanna fuck you.."*
- Willy can buy a subscription on the Sandarling or Redslut channel (introduced in v007) for his TV. Go [home] and click on the [TV remote]

- On the left stands a prototype sex doll (more with *"What's that doll over there?"*) and three upgrades (introduced in v007). On the right stands a silicon doll (introduced in v008) which has an extra maid outfit and four upgrades. This one only works if Willy has enough batteries and those aren't cheap as well. But with the money pile you can try everything. Both dolls will be delivered to Willy's bedroom
- In the above loose ends Willy got **[indigo essence scent]**. Drop this on Angel in the **[clothing section]** (introduced in v013) so it will be opened. Willy can now *"Buy clothing"*. For now the following clothes and girls can wear them:
 - **Maya:** she can wear the innocent dress (\$ 1530, introduced in v014), corset (\$ 400, unlocks her gold doll) and body stockings (\$ 260, introduced in v014). Drop the **[corset]** on her and ask her to change into it. Then say *"Oh your pussy looks delicious"*. The **[innocent dress]** gives the line *"You look amazing in that dress"* and then some romantic kissing. The **[body stockings]** gives the line *"Wow! I love how you look in this!"* and then 'making love'. Afterwards search for the **[Maya gold]** doll
 - **Mom:** she can wear the V dress (\$ 540), dream dress (\$ 2170), innocent dress (\$ 1530), night dress (\$ 890), latex catsuit (\$ 550) and corset (\$ 400). If Willy bought the last one and gave it to Maya he will need to buy it again. Drop the **[corset]** on her and ask her to change into it. Then say *"You look so sexy in that corset"* and Willy can now lick her pussy. After this – not before! – she will accept the **[catsuit]** which gives the line *"Compliment her in the catsuit"* and that will lead to a blowjob. Now change her into the **[dream dress]** which gives the line *"It looks so sexy on you... that dress"* and at last Willy can fuck her 😊. The **[V dress]** and **[night dress]** don't have any transition scenes, only wearing it. The **[innocent dress]** dress gives the line *"That dress makes me horny..."* and Willy gets a handjob but isn't allowed to cum, so no fun there. The licking, blowjob and fucking (reverse cowgirl) are also added as positions when see is nude, so try it out if you wanna. Afterwards search for the **[Violette gold]** doll
 - **Amanda:** she can wear the V dress (\$ 540), night dress (\$ 890), latex catsuit (\$ 550), corset (\$ 400) and body stockings (\$ 260). If Willy bought the latex catsuit and gave it to Maya, he will need to buy it again. Drop the **[V dress]** on her and ask her to change into it. Then say *"Wow! Your tits barely fit in that dress"* which leads to a titjob. The **[catsuit]** gives the line *"WOW! God! You look amazing in it"* and then a hard fucking. The **[corset]** gives the line *"Oh. That is some hot corset there"* and then a blowjob. The **[body stockings]** give the line *"Those*

look great on you” and then anal sex. The [night dress] doesn't have any transition scenes, only wearing it. The blowjob, titjob, hard fuck and rough anal are also added as positions when she is nude, so try it out if you wanna

- After asking the domina about the package for Mia (introduced in v015) Willy can ask Angel *“About pictures”* in the [clothing section] and she will open her photo shop as well. Willy can buy three sets of photos (24 in total) for \$ 500 by asking *“Buy picture sets”*. Afterwards say *“”*, go back to the main shop area and search for the [Angel silver] doll

Orion Star hotel

When reading the envelope in Diane's room the [Orion Star hotel] location was added to the map. There Willy can talk with Melanie (introduced in v006) and Eliza (introduced in v009)

- First say to Melanie *“What are you doing here? If I may ask”*, *“So you work for Carlos?”* and *“Price for service”*. Willy needs a lot of cash because the [gold card] will not work, but luckily we have grabbed enough from the money pile on [Majorie Street West]. There are three dolls to collect which she gives after Willy spent enough on her services: [Melanie bronze] after more than 21 dollar – so at least the cheapest *“Titjob \$ 80”* option – [Melanie silver] after more than 2000 dollar and [Melanie gold] after more than 5000 dollar. A session with all services costs Willy 2000 dollar so ask *“I want to arrange a session”*, click on everything and *“Pay \$ 2000”*. After *“exit session”* – you don't have to do all – ask *“Doll gift”* and repeat again two times. The last session has to be more than \$ 1000 to work, but why not choosing all?
- Go to Eliza. If Willy has no confidence – read nice scent – Eliza is not available for sex. On the ground only the [Eliza bronze] doll can be found. If you also see the [Eliza silver] doll Willy can *“Arrange session with Eliza”*. She is a lot cheaper because she doesn't do anal, but Willy can practice it with her if he is nice. To do that pay for at least *“Oral pleasures \$ 270”* and start the *“Pose 69”* animation. Let it run for 10-15 seconds until a *“Anus practice”* is added to the menu. After enough waiting the *“Sweet anal”* appears. Do this for 30-40 seconds until at last *“Rough anal”* is possible. From now on these three options are always available and Willy is not charged for it because she still needs the practice. To get the [Eliza gold] doll ask her *“So did you like anal sex”*, [exit hotel] and search for it...

Doll house

The [Doll house] was introduced in v010. In v011 entering the [bronze door] was possible after collecting all 50 dolls hidden in that version.

- After entering the [bronze door], read the [sign] on the door in front of him which says "Putting weight on hook(er) makes door(whore) open wide". Not very clear, but lets see what Willy can find by investigating the [temple chamber]
- Pick up the [tissue] on the right between the two pillars. Go to the [East room] and pick up another [tissue]. Go to the [West room] and pick up the [dagger]. Click on the left [faucet] to get [sand]. Grab it two times (check inventory). Go back to the [temple chamber] and take the

[dagger] from the inventory. Hover it to the bottom of the left pillar near the entrance until two pieces of [rope] can be cut by clicking

- Despite the comment of Willy's dick he's an idiot, we have almost solved the riddle on the sign. If you did more than I told you, you have seen that in each room between the faucets is a hook. Can we make a weight with the materials gathered? Yes! Click in your inventory on a [pile of sand] and drop it on a [tissue] to get [sand on tissue]. Now click on a piece of [rope] and drop it on the [sand on tissue] to get a [pouch with sand]. Do this again for another one. Willy has now two weights, so put one on the [hook] in each chamber. Now go back to the [temple chamber] and there the [Secret Garden of Desire] is opened
- First click on the [bench] so Willy gets naked. He can talk with everybody and learn more about the bordello and the city, but the bare minimum for unlocking things is the following:
 - Willy will recognize the girl (Jux Apo) in white boots so at least talk with this couple
 - In the [contest area] (right, introduced in v012) Willy can bet which couple wins the blowjob contest. Ask Brianna how it works. A winning bet is doubled and for the [Brianna silver] doll (introduced in v015). Willy has to win at least \$ 1000 so keep betting \$ 500. After winning ask for the *"Doll gift"*
 - Try to talk with Amy on the right. Go back to the bench where an older lady is giving a handjob. Talk with her and at least *"Ask about Amy"* (introduced in v013). Now go back to Amy and talk with her. For the moment only the small sexy animation when talking. It unlocks however her doll so go back to the [temple chamber] and then the [East room]. Search there for the [Amy silver] doll
 - Afterwards go [Home] and say to Jux Apo *"See you found a job (wink)"* and then *"You're a very dirty girl he he"*. The conversation doesn't make sense because Jux Apo is taking words literally. Afterwards go to the [Doll house] and she will be gone. Search for the [Jux Apo silver] doll. Go back [Home] again and she has moved into her new apartment. Click on the [door] and choose *"Open peephole \$ 10"*. Click on the white door to [stop peeking]...

New features

Sometimes new features are introduced and those are described below.

v007

- The dolls in the collection screen can now be rotated manually. Click on a doll to start the rotation. Now you can use the mouse wheel to control the rotation. A click on the right mouse button starts the normal rotation again. The mouse cursor needs to be in the area of the small doll to do these things!
- You can now take screenshots by pressing F12. They will be saved in the screenshots directory within the game folder. They are high quality PNG files with the date and time coded in the name

v008

- The sound volume can now be lowered by pressing 1 and raised by pressing 2. This may be a bit “glitchy” but will be polished in the future

v009

- New look for the collection screen. To open a collection click on the corresponding picture
- A new collection called lingerie is added. You can find them lying around or ask them from girls. Just as with the dolls you can click on them to be seen on a mannequin and rotation can be controlled by the mouse wheel
- Both the doll and lingerie have now a counter and total number that can be found

v010

- When a scene is bigger than seen, you can scroll it by moving the mouse to the left or right of the screen. Sometimes a yellow arrow for a location appears. Don't try to maneuver the mouse on it, because it will still be in scrolling mode. Just left click and Willy starts to move and then click on the rotating arrow position. In the beginning it is a bit confusing, but with practice it becomes clear...
- In the main menu a new “Options” is available. In this screen you can change the volume of music/ambiance and sound effects. This is still in “beta” state. Also in this screen “autosaves” – automatically created when finishing an episode/version – can be loaded by clicking on the

wanted start. Autosaves are also provided by the developer in the Savegames folder. See the text file how to make them available...

- In sex scenes the cursor changes to a representation of a computer mouse. You can now zoom in/out/reset the animation, however the background will stay the same so it may look a little bit weird. A right click on the "*Cum*" option enlarges the cumming animation to twice as large. Pressing the space bar toggles the sex poses selection and this is useful for making screenshots (introduced in v007). If the sex scene starts without the selection screen you can press the space bar, but please report it as a bug
- In the lingerie collection short descriptions is shown when displayed on the mannequin
- In the doll collection click on the middle mouse button to zoom in
