Keep Watching.  

You watch Nikki have sex. She sees you and cums with you.

Turn over and go to sleep.

Pull down sheet.  

Pull down sheet all...  

Start jerking...  

Go to bed.

Go to bed.

Go to bed.

Say hello.

Of course I do!

**BRANCH #2**

Jessica  
Opens Jessica 2 scene.

Molly  
Opens Molly 2 scene.

Cory  
Opens Cory 1 scene.

---

**Jessica 2**

Your opening dialogue with Jessica will vary a bit depending on your choice at the last branch.

Uhhh... are you free tonight?  
She turns you down.

You and me are going out tonight.  
Oh, sorry. I didn’t know...  
She turns you down.  
I wasn’t interested in...  
You fuck her... immediately.  

**Molly 2**

Your opening dialogue with Molly will vary a bit depending on your choice at the last branch.

Well, she wasn’t wrong.  
She turns you down.

I'm not like most guys.  
Get some info about her childhood.

Ask about Iowa.  
Note: These are NEGATIVE Gentleman points. She isn't happy.

Talk about sex.  
Ask about family.
Ask about classes.*

You find out that the two of you are in a photography class together. (G +2)

End date.

Handshake. (G +1)

Hug. (G +2)

Kiss. (G -4), (D +2)

Note: These are NEGATIVE Gentleman points. She forces a handshake instead.

*C This conversation topic can be repeatedly chosen for unlimited Gentleman points (V.6).

-----

Be forward. (D +4)

She tells you that she's not that kind of girl, but the date continues.

Hell yes! (D +1)

Sounds like fun. (G +1)

Take it slow. (G +5)

Hell yes! (D +1)

Sounds like fun. (G +1)

-----

Take a peek. (D +3)

Scene of Cory in the shower, then club scene and end of night.

Meet Cory at the club. (G +5)

Club scene and end of night.

-----

Your conversation with Nikki the next morning will vary depending on your choice of date. When you get to the next choice (while you are looking at Ashley's bag), SAVE YOUR GAME before choosing any actions. I will explain why shortly.

Look through Ashley's bag. (D +1)

Put her stuff away. (G +4)

Keep looking. (D +2)

Put her stuff away. (G +3)

Keep looking. (D +3)

Put her stuff away.

Keep looking. (D +4)

Respect her privacy. (G +10)

The following choice will only appear if you looked through Ashley's bag. Your answer doesn't matter in the least.

Fashion
Drinking
Animals
Vegetables

Whether you got the above choice or not, you learn of Ashley's membership in a certain lunatic-fringe organization. Soon afterward, Nikki shows up, and "helps" you get a date with the crazy girl. Afterward, back in the dorm room, if you tried to tell Nikki the truth about Mrs. Sollain, it comes up here.

Beer
Wine
Rum and Coke
Vodka Soda

Best choice.

Dog
Polar Bear
Penguin
Elephant

Best choice.
Kale
Matcha
Quinoa
Seitan

Best choice.

Gwen Stefani
Jennifer Lawrence
Beyoncé
Kendall Jenner

If you pick all of the correct choices, you get the good ending to the date (D +10).

If you DID NOT get the good ending to the Ashley date, you will have a short scene in your dorm room with the following choices. Don’t sweat this too much, things play out the same way (other than point gain) regardless of your action or inaction.

Step in and stop this. (G +7)
Let this happen! (D +4)

When you wake up in the morning, pay attention to the lengthy conversation with Nikki. If you got the above scene with Nikki and Molly, you will get some pretty compelling hints from Nikki that your date with Ashley could probably have gone a lot better. I personally LOVE this scene, and I think it’s worth intentionally getting the bad end to the Ashley date at least once just to see it. Seeing this awesome bit of dialogue and the short scene mentioned above is why I recommended saving your game earlier.

She's freaking smoking. (D +1)
That’s not everything. (G +1)

Don't trust Nikki. (G +2)
You can trust Nikki. (D +2)

I'm no one special. (G +1)
About time you... (D +1)

She hugs you.

Handshake (G +3)
Hug (G +1)
Kiss (D +1)

I don’t want to rush... (G +1)
Are you going to... (D +1)

Yes.
No thanks. I got this...

There are no Deviant or Gentleman points for either of the above choices, but the choice feels like an important one.

Play video games
Text Cory

You go to bed and nothing happens.
Date with Cory

If you choose to text Cory, you will have a date with her. If you elected not to go out with her at BRANCH #2, you will have your first date with her. Go to Cory 1 for details. If you have already been on a date with her, proceed to Cory 2.

You must've been drunk...
Yeah, I'm not like most...  Best Choice.

I was gonna ask you...
I pulled a muscle...  Best Choice.
   I guess. Thanks.
   Maybe you could...  Best Choice.

Romance  Bad Choice.
Action  Good Choice.
Comedy  Good Choice.

Peek  (D +4)
Don't Peek  (G +4)

Tell the truth.  (G +1)
Stay quiet.  (D +1)

Both choices lead to the same outcome – an “interesting” yoga session.  (D +10)

BRANCH #3
I'd like to help with photography
Stay away from my sister!

Opens Skylar 1 scene.
Opens Jessica 3 scene.

After this choice, you go to the beach and have another scene that results in (D +10).

Of course!
No thank you!

No points for either choice, but this seems like an important choice. Possible “NTR” filter. No effects as of V.6.

Of course!
No thank you!

No points for either choice, but this feels like another important choice. Pretty sure these last two ARE “NTR” filters. No effects as of V.6. After this choice, you have visit from Ashley that results in (D +10).

Skylar 1

Step and stop this.  (G +10)
I want to see...  (D +7)

Scene with Skylar, and (seeming) end to your relationship with Eric.
Scene with Skylar (no “NTR”), and continuation of Eric's presence.

In case you were wondering... yes... this is indeed THAT Eric. If you played Big Brother at any point, this scene is worth seeing just for the lols. Also, it seems like you will be able to continue a relationship with Skylar regardless of which of the above choices you pick.

Jessica 3

There are no choices here, but it is a pretty hot scene with your increasingly-friendly RA that results in (D +10).
