MAN OF THE HOUSE WALKTHROUGH

FOR VERSION 7.1 EXTRA 1.1 - 4.2.2018

INTRODUCTION

- This is my first game walkthrough, so please be patient with me. Should you find something lacking, or have ideas for improvement please let me know on Discord at Vixxthelover#9188 or via email at vixxenlayne@yahoo.com. Please send suggestions directly to me, I do not follow chat as much as I should, I might miss a general suggestion or missing item.
- This guide is for the game Man of the House, which you can find on Patreon at <https://www.patreon.com/faerin>, please support him there, as to continue development of this game. My thanks go out to Faerin for allowing me to create this guide, and for his support.
- If you like my work on this guide, and desire something like it for your game please let me know. With appropriate game access, and some game developer access this is something I would do for fun.

A FEW THOUGHTS BEFORE WE START

- There is an in-game hint system in the Man of the House game. That system makes a guide such as this less needed, however where it might be needed is with achievements. For maximum enjoyment I suggest using the in-game hints and discovering as much as you can for yourself.
- The Man of the House game is updated every two weeks, and thus this guide will at times be out of date. For it will not be updated as often as the game is. Feel free to contact me with things which you have found which I have not, and I will update this guide.
- This game differs from many games as is not linear and allows for you to perform actions as you see fit on a day to day basis. Thus, this guide will not lay out actions on a day to day or hour to hour basis but will focus on what you can do at certain times and places.
- There can be numerous triggers for events, which will not be covered in detail in this guide. If circumstances and the provided triggers suggest that something should happen, and it does not, please look at the available hints for other NPCs and see if you are perhaps lacking another event trigger.
- This guide has been written and will be updated for Faerin's Patreon page. Faerin has the right to approve the sharing of this guide as he sees fit.
