

Acting Lessons

Thank you for reading this walkthrough! I strongly advise you to play the game without a walkthrough first as the walkthrough **contains spoilers** and remove a lot of fun from experiencing the game. That said, this walkthrough is intended to aid you in how to get all relationship/friend points with the different characters in the game and describe which criteria will trigger different scenes or choices. Please note that choices made in each episode may have impact in future episodes. To be able to experience all routes you will have to play the game differently and multiple times. **There will never be a game over screen in the game.**

Walkthrough Episode 1

Location: Home

“Hi! Have I reached Jonas Redfield?”

Pick “No” if you want a different name. Pick whatever you want in the remainder of the conversation.

“Not much since the market crash. I've mostly been reading up on new projects to invest in and...”

The first important prompt is the choice of trait. Different traits will give you different dialogue options in different situations. The traits are in general balanced, but some content will only be activated by specific traits. While some traits will give you more RP/FP others might give you extra romantic encounters down the line. For your first playthrough, choose something you think is fun based on the following descriptions.

Athletic trait: Certain characters perceives you as hot. You get an advantage in situations calling for speed or strength.

Well read trait: You will be more poetic in certain situations and know more about literature. This can benefit your relationship with Megan and other characters.

Charismatic trait: You are no stranger to social situations and queues. This trait boosts your confidence and ability to think on your feet in conversations.

Choose the trait that you find to be most interesting.

“Listen, I must be getting back to work. How about we do something later?”

Accept +1 Friend points (FP).

Note! Don't be concerned about NTR or homosexual relations with Liam in this game. Liam is really there to be your friend.

Location: Store

“Look closer”/“Don’t risk it” gives different dialogues but the points will not be different. +3 Relationship points (RP) if you have the charismatic trait and +2 RP if you have a different trait.

“Can I get you anything else?”

Ask if she can recommend anything: +2 RP

Ask for her number: +2 RP if you have the Charismatic trait

“Bitch, hurry the fuck up! I will shoot you!”

Trip the robber (Athletic trait): +3 RP and extra events later on

Plea for the clerk’s life: +2 RP

Try to get up: +1 RP

Location: Hospital

“You might be wondering why we put you into a coma in the first place?”

Pick what you want.

“Not at all. That’s why I’m here. I’ll go get it for you.”

Look closer: +1 RP (RPs given during conversations with Leah are of course not connected to your relationship with Megan)

“No problem. Is there something else I can do for you?”

Flip pillow: +1 RP

Untuck sheet: +1 RP

Something to read: +2 RP (Only available if you have the Well read trait)

Location: Hospital, police questioning

The score from the police questioning will eventually give RP with Megan. If you tried to trip the robber you can get +3 RP with Megan, otherwise the maximum points you can get is +2 RP

“Retrace your steps from when you first entered the store.”

I browsed the different aisles...

“Do you recall when the robber entered the store?”

Before talking to the clerk

“What can you tell me about the robber?”

I saw his face (if you tripped the robber)

I saw his shoes (If you didn’t trip the robber).

Location: Car

“...there must be something special about her right?”

Every option but “Shut up” gives +1 FP.

Location: Store

The choices you make here will not impact FP or RP. Play the scene how you want. If you have the athletic trait you can pay for the number and tell the clerk to fuck off while keeping the number. If you cannot get the number and you have at least 2 FP with Liam, he will get it for you.

Location: Home

“Hey Liam...”

Thank him sincerely: +2 FP if you have less than 2 FP, else you get +1 FP.

Offer money as thanks: +1 FP if you have at least 2 FP.

Joke around: +1 FP

“What should I do?”

Do what you want.

“(Liam really outdid himself. I should text him.)”

Text him: +2 FP

Location: Hospital

“I got her phone number right here. Here you go.”

Kiss her on mouth (Charismatic trait only): +6 RP

Kiss her on cheek: +5 RP

Hug her: +4 RP

Thank her: +2 RP

Location: Haven park

When greeting Megan you can Kiss her on the cheek if you have the Charismatic trait to get +2 RP. Hug also gives +2 RP. Trying Kiss on mouth doesn't affect your relationship with Megan, try it. 😊

Ask how she's been > Glad to hear it or I was worried: +1 RP

Thank her > Comfort her or Praise her actions: +1 RP

Talk about robbery: Gives you +1 RP if you tried to help during the robbery. If you did a good job in the police questioning you can get +3 RP (tripping robber + all correct answers) or +2 RP (all correct answers).

“Sorry...I feel like you've listened to enough of my problems.”

I don't mind: +1 RP. +2 RP if you have the Well read trait.

I'm so sorry: +1 RP.

“This might seem like a weird proposition, but please hear me out.”

I have the means to help you: +1 RP

Select which option you want. Interactions will be slightly different in the episode but it will not affect RP.

If you have charismatic trait you get +1 RP during walk home with Megan.

Location: Home

"There. All set."

Check her out.

If you have the Athletic trait you will get +1 RP with Megan after the shower scene.

"I'm just concerned that's all."

I appreciate it or Nice to have someone who cares: +1 RP

"(What should I do today?)"

Invite Liam: +5 FP and a hang out scene.

If you have the Well read trait you will get +2 RP when talking to Megan.

"I do have friends on the other side of town that I possibly could stay with if this doesn't work out."

This will work out: +1 RP or +2 RP if you have the Charismatic trait.

I promise: +1 RP

The rating system

The game uses cakes to visualize how many points out of the total available you got with each character. Note that you cannot get full score with everyone during a playthrough, unless you cheat (which can break the game). 0.5 cake is equal to 10% of all available points, meaning that 5 cakes = 100%, 4 cakes = 80% etc. The example below is 60%:

Walkthrough Episode 2

“Look closer” does not affect your stats..

Location: Home

“How about you? Was it ok to sleep on the couch?”

Tell the truth: +1 RP

Lie: +1 RP if you have the Charismatic trait.

Location: Car

“I do know this great store up ahead. They have pretty good prices too.”

Sounds great: +1 RP

Location: Clothing store

If you have the Charismatic trait you get +1 RP during the conversation.

“Is it ok?”

It's a bit expensive: +1 RP

Of course > Correct him: +1 RP if you have less than 15 RP with Megan

Of course > Don't correct him: +1 RP if you have more than 14 RP with Megan

Of course > Correct him and flirt with Megan (Only if you have the Charismatic trait): +1 RP

“Well you don't have to. You're welcome to join us.”

This is a **big** one. Choosing to join Megan and Melissa will enable extra scenes later in the episode and possibly lead to sex with Melissa. Hanging out with Liam can possibly lead to a MFF (male+female+female) threesome in the end of the episode, depending on your friendship and other choices. You cannot do both in one playthrough and both routes may impact future episodes.

Join them for coffee: +1 RP Megan, +1RP Melissa

Hang out with Liam: +2 FP Liam

Location: Café with Megan and Melissa

If you have the Charismatic trait you get +1 RP during the conversation.

“(If it was a joke why is she rubbing her leg against mine?)”

Let her continue: +1 RP Melissa and an extra scene later in the dialogue

“So I'll drop in around 6pm then. Where do you live?”

Offer to pick her up: +1 RP Megan, +1 RP Melissa and an extra scene later in the episode.

“I could have gone anywhere else, but knowing that I'd live close to Melissa again settled it.”

Pick what you want.

Location: Hangout with Liam

“What if you want to bring a girl home? You think you could fuck another woman while she stays there?”

If you pick “Only interested in Megan” and then fool around with Melissa, Liam will call you out on your lie. If you don’t fool around with Melissa you can get +1 FP for this choice later in the episode. He will also remember this choice in future episodes.

“Will find a way around it”: You will not miss an FP with Liam if you fool around with Melissa later in the episode. He will remember this choice in future episodes.

Location: Home

“When she comes home she finds out that her mother has passed and her father never bothered to contact her about it.”

Sounds tragic: +1 RP

That sounds familiar (Only if you have Well read trait): +2 RP

“Got it?”

Yes or No. Doesn’t matter what you pick.

If you have the Well read trait, you get an +1 RP during the rehearsal.

“So what did you think?”

You’re crying! > This role is not for you: Leads to better stats with Megan later in the episode

The script is not good: +1 RP if you have the Well read trait and leads to better stats with Megan later in the episode.

“Now you react to what I said and keep the scene going.”

Not as lovely as my date (Only if you have the Charismatic trait): +1 RP
Else, pick what you want.

*“*sniffs* Hm...can you sense that? Something smells.”*

Sorry, I farted (Only if you have the Well read trait): +1 RP
Otherwise pick what you want.

“Remind me, what was that again?”

Mind reader > Oliver: +1 RP

“Tell me, what do you like most about me?”

Pick what you want.

Location: Car

“That’s wonderful news! So I guess I won’t be seeing you at the hospital anymore?”

I could still drop by to see you: +2 RP Leah

Location: Lunch date with Leah

“Oh stop it. I was only doing my job.”

Caress her hand: +1 RP

“(Should I tell her more than that?)”

Pick what you want, she will remember your choice. Telling Leah the truth gives you a chance to score an extra point in Episode 3.

When asking about Leah pick what you want. The only thing that can score you points is the Relationship topic.

“So how about you?”

I'm interested in you: +2 RP

I'm single: +1 RP

“I'm interested in someone else” or “I don't feel the same as you”: Closes the romantic route for Leah.

Asking Leah out to dinner will give you + 2RP.

Location: Home

If you have the Athletic trait you can join Megan when she does yoga and also get +1 RP.

Peeking on Megan in the shower doesn't affect your stats, but you'll get an extra scene.

Location: Melissas house

If you had coffee with Melissa and Megan and offered to pick Melissa up you will get this scene.

“(What the hell!?)”

Intervene: Will score points with both Megan and Melissa. It will also open up the possibility for kissing and having sex with Melissa. You can still reject Melissa later if you're not interested in her but want the points with Megan.

*“*hic* Who the fuck are you to tell me what I can't do to my daughter.”*

If you have the Athletic trait you will win the fight with Peter if you pick “Hit him”. Otherwise pick what you want.

If you won the fight with Peter you will get: +2 RP Melissa, +2 RP Megan

If you intervened you will get: +1 RP Melissa, +1 RP Megan

Kiss Melissa for +1 RP.

Location: Home, dinner with Megan and Melissa

Offering wine and intervening when Peter hit her are must do options if you want to have sex with Melissa. Offering wine will cause Megan to have a hangover the next day and affect her audition negatively.

“What do you think?”

They are sexy: +1 RP Melissa

Avoid answering: +1 RP Megan

Location: Home, movie night with Megan and Melissa

This scene is dynamic depending on your past choices. If you hung out with Liam, Melissa will ask to put her feet in your lap. Doing this and choosing to kiss her while score points with her. You can also reject her if you don't want to have a sexual relationship with her.

If you have more than 2 RP (Melissa), drank wine and intervened when she got hit by Peter, Melissa will ask to put her head in your lap. If you choose to accept and then "continue" you will get a sex scene with Melissa and +3 RP in total. It doesn't matter what you choose to do during the sex scene, just have fun and enjoy it. Note that you get more sex positions the higher your score with Melissa. Doggy style is unlocked at >5 RP and missionary style at >4 RP.

Location: Home, morning after

"Tell me the details bro?"

Tell him about last night: If you fooled around with or fucked Melissa and told Liam that you only were interested in Megan you will not get any points. Otherwise you get +1 FP. Telling Liam about Melissa and not rejecting her can give you an extra point in Episode 3.

If you have the Well read trait you get +1 FP during the conversation with Liam.

When Megan comes home you get +1 RP if you didn't offer any alcohol the night before. If you told her earlier that she wasn't right for the part of Elizabeth you get +1 RP.

"There's no way I'm getting that part."

Pick what you want.

During the rehearsal you get a chance to kiss Megan, but only if you have the Charismatic or Well read trait. Kissing her gives you +1 RP.

"Was it a better part for me than the Amish play?"

It suits you perfectly: +1 RP

Yes, but the Amish play REALLY sucked (Only available if you told her that she wasn't right for the part of Elizabeth): +1 RP

Location: Inferno

"So tell me boys, what are the likes of you doing at Inferno?"

If you have the Charismatic trait you can pick "Looking for the likes of you > But you know...only hotter/wilder": +1 FP (Liam)

Otherwise pick what you want.

"Wanna join us for some shots at our table?"

If you don't want to get physical in any way with Angela and Hedwig you must end the night here. Otherwise pick what you want.

During the competition, choose what you want. If you stay silent you get more scenes. Choose to speak if you want a particular girl to win/lose.

"So which one do you want?"

If you have hung out with Liam in both Episode 1 and 2 you can choose both to get a threesome with Angela and Hedwig. You can reject both girls or select one of them to sleep with; you get +1 FP with Liam for choosing neither. The options will lead to three different sex

scenes, I'd recommend you to play through all of them if you want to see everything. Enjoy your reward.

Location: Home

There are no more options left in the episode. Enjoy the ending.
