**For a New Game Start Here this part has been
Written by Carlo S Thanks to Him**

- A guide to help you play and understand: Make a path, when the point doesn't increase more, look for what MC needs to do next, in the house, on the phone or on the Map, always take a look at the tips inside the phone, and see if MC need to do other things, so it will be easier.

- In the game the hours, shows the beginning of the event, but can be done later, in the remaining time, only few events are done on right time, meetings or waiting

- Use Cheat - for money and buy what need, and for mood when needed, let always high.
