Section 2 – Story

2a. Introduction

After David talking to himself about the vacation, he meets Lucile scene (trust +2), Martha scene (Guilt+2) and Vera scene (Arousal +2). Go to the tub after you talk to Vera.
David will go to the Kitchen and talk to Martha. After that, Lucile will give you a tour of the house (Remember this). Once u seen the whole house, u need to head to bed and sleep.

(Note the red book shows your status of David and his family members.)

David will start to get thirsty so head outside, you will meet Lucile. She mention there is something downstairs so you decide to tag along. It is location downstairs and the right side of the Kitchen. (Note you can hold shift to run across the house)

You will trigger a (scene) (Depravation +1). After the scene, head downstairs on the far right side. David chicken out so he decide to check up Lucile before going to sleep (Trust +2).

You have the option to look at Lucile while she is asleep. Go back to bed and sleep.
After Martha dialogue, there will be a scene (Guilt +2) (Depravation +1). David would need to take care of something ;) so he would run downstairs, there will be another scene (Arousal +2) (Depravation +1). After the “moment”, go to the study room instead and go to the far right of the bookshelf and search the middle shelf, make sure you collect the rusty key.

Then, you can go back to the basement. You need to take the sledgehammer to clear your path. It is location at the far right side of the basement. Make sure you collect it.

Then head further down to the basement and hit the boxes.
Once u head to the hole ;) you need to use the rusty key to open the “cell”, you will meet Doyle. Go back to the study room and search the upper shelf in the middle bookshelf. You will find the book “Beyond Life”
Go Back to Doyle. He mention he will read the book and come back tomorrow, good time to see the whole house if u haven’t did it already. (Note Read Section 3 for daily schedule of the house) Head outside the house and u see Lucile in the right side, she wants to play hide and seek with you. She is hiding at the left side of the house. She will demand you to play something else (Note hold shift and try to tag her). There will be another scene (Depravation +1). You can’t go further since David doesn’t have enough Depravation

(Note: There are other hiding places, the left/down corner of the garden behind the tree and behind the house)

Head back inside and go to the study room again. Let’s start grinding our Depravation by reading a fiction novel. It’s located at the far left side of the room and in the middle shelf (Depravation +1). Continue reading the book until evening. You noticing Vera with you, check her up (Depravation +1). Then head upstairs and sleep again and again.

2b Free Mode

Right now you should have Total Depravation: 7, Martha Guilt: 4, Lucile Trust: 4, Vera Arousal: 4.

Go back to Doyle and talk to him. You have the option to let Doyle tag along with you. Check up with Vera with Doyle (Depravation +1) and say yes to the breakfast. We should have enough Depravation to peek Martha in her bathroom (Depravation +1). After that, go back downstairs and continue reading the novel in the study room, continue reading until evening. Then check up on Vera (Depravation +3).

Go to the Kitchen and talk to your Martha (Depravation +1) and now you have the option to improve your Martha guilt (Guilt +1). Then check
Lucile (Depravation +4). You have the option to improve your trust by washing the dish (Trust +1).

After that, you can go upstairs and try to peek Vera bedroom (no scene atm) but you will a chance to get (Depravation +1) or a heart attack. Go back to sleep.

After when Lucile woke you up, head back to the basement, on the way u meet Lucile. There will be a scene (Depravation +2). You can progress to the next scene but you don’t have enough Trust yet. Again, go back to sleep.

Right now you should have Total Depravation: 23, Martha Guilt: 5, Lucile Trust: 5, Vera Arousal: 4.

The next morning, check up on Vera. You have the option to improve Vera Arousal. Go back to the basement and let Doyle tag along. Head upstairs and peek Martha in her bathroom. There will be a scene (Depravation +1). Since you have enough Depravation you can continue the scene but the door is locked, Doyle mention the key is located in your Martha bedroom, get the key at night time. You can either use the bedroom to rest or the arm chair to waste time. You can talk to Martha and select the Guilt option (Guilt +1) and then washing the dishes (Trust +), go back to sleep after that.

Then go to your Martha bedroom and find the key. It’s located at the far right side of the room, then go back to sleep again.

Now you are free to whatever you like to do (Note again, you can read the section 3 - schedule to improve your Depravation, Martha’s Guilt, Vera’s Arousal and Lucile’s Trust)

(Note section 4 for scene requirement)

(Note section 5 for key items)
