

Walkthrough

Dunley

Ship.

There aren't many locations on the ship. Everything that you need to do it is to combine the rum with the valerian. And to give it to the two guys. Then you can escape with Nicole.

Town.

Dunley should talk to the bartender first. Then he needs to talk to four men in the brothel. They refuse to talk to him and ask him to buy rum. After that, a man will ask Dunley to talk to him. He will offer to buy the information. One way or another you will have to buy it. Sooner or later.

Afterward, you can talk to the bartender again, and after some dialogues, a card game will be launched.

When you are done with the brothel. Go talk to the Marcello on the market. He will send you to the shop. The shop is located on the right bottom corner of the big map. After a dialogue in the shop, you have to talk to a man near the fisherman. Just near the shop. If Dunley already bought the info in the brothel. He will tell you that you need to talk to the Marcello again. Otherwise, go and buy info in the brothel.

Easiest way. Brothel – buying info – Marcello – shop – merchant (man near the shop) – Marcello.

Luetta

To open sex scenes, you have to talk to Rex. Sleeping man at Governor mansion location. Everything else is simple. Just collect the coins from all girls in the brothel.

If you talked to Rex. A man will appear in the brothel if you try to talk to Honora. Talk to him and go to one of the rooms in the right upper corner in the brothel. After sex, go and talk to Honora again.

Nicole

In this episode most important is Nicole's debauchery points which can open extra scenes. So here is the order and the way how you can get maximum.

Talk to Orrick first. Don't go to the market yet. There is intro scene with Orrick that will give you 3 points.

Two guys on the market – 2 points. Easy to find. They stand near a vendor.

A man who gives Nicole flowers. He will appear only if you meet three men before that. First at the location of the inn. Second – not far from the fountain. Third not far from Orrick location. Near big white house. Those men will approach Nicole selves. You just need to come close enough to them. So 4th gives 5 points.

Then it should be enough to trigger a scene with a beggar and a posing scene.

There is a parrot at the market. If you try to talk to it, some extra scene will be open during the posing scene.

After you are done the posing, just go to talk to the fisherman. The man near the shop where Dunley was. Afterward, go the inn. Two men will approach Nicole, and you can make a choice here whether to thank Jimmy or not. The choice – to be thankful will give extra points of interest. And that will allow to open blowjob scene.

The scenes on the beach at the evening are auto mostly. Just follow the story. Some scene will be opened if you got enough debauchery points.
