The Promise 0.25a by Xagrim's Gameforge

Content (127 new images):

- Added a new complete shuffle event for the unique farm event (33% chance)
- Added some missing pictures for the jogging events
- Added the first office outfit for the kitchen scenes (if you buy it)
- Added the next fotoshooting with your wife
- Added some idle pictures during sex with your wife (more comes into 0.30)
- Replaced some pictures in the first office event with your wife

Gameplay:

- Changed that the clothesstore is now closed at sunday
- Changed the dialogues for the first shopping event with your wife, now you can better see what raise relation or corruption
- Changed some variables for the shopping event that makes it necessary to play it again (Please go for it if you want have the right variables)

Bugfixing:

- Fixed the camera bug for the doggystyle sex scene with your wife
- Fixed the wrong picture of Lisa in the week at the evening, she is in the kitchen not in the living room
- Fixed the sexmenue, it should work right now
- Fixed some farm variables bugs
- Fixed the fotoshootingscript bug

Known issues and plans for the later future:

- Rework some images because of bad light or image issues
- Rework some animations because they are not so good
