

Shut Up and Dance

Episode 1 Walkthrough

- Go any room you like, it doesn't affect anything. But you can go to only one room.
- If you refuse to help Chen, you get **+1 hate**
- If you choose to help him, you get **+1 respect**
- This **will affect the scene in the second episode**, so if you want everything to be fine, I'd recommend choosing **"Help"**.
- **"Flirting"** with Emma doesn't bring you any points, but **"Staying Cool"** shows you some more renders.
- In the evening if you **"tell the truth"** you get **Megan's scene**.
- **"Lying"** leads to **Sarah's scene**.
- Choosing between **"Asking about the secret"** and **"Not asking about it"** will affect later Episodes. (But if you want to see everything, I recommend asking her, obviously)

Megan's scene:

- “**Entering without knocking**” gets you **+1 love** and a juicy scene.
- “**Knocking**” just leads to a conversation with her.

Sarah's conversation:

- Everything the same: “**Without knocking**” **+ 1 love** and a nice scene.
- If you choose “**Turn it on as usual**”, you'll get a **kiss from Sarah**.
- Then choosing “**Continue kissing**” gives you **+1 love** with her.
- “**Turning on the safe mode**” doesn't give you any points.

Hospital:

- **Handjob/Blowjob** – chose whatever you like.

Jake's house:

- “**Telling him the truth**” gives you Jake's **trust**. He's your friend after all, why don't you tell him. Moreover, if he knows what you're capable of **he will ask you to influence Faith**.
- You can **agree (+1 trust)** or **disagree (+1 suspect)**.

Thursday

Morning:

- If you decide to **jerk off**, you'll see some interesting renders, no doubt, but you'll **miss a scene with Megan after breakfast and head straight to shop**.
- Choosing "**Go downstairs**" gives you **+1 love** with Megan and leads to her scene.

Megan's preparations:

- Saying that "**She's hot**" gets **you access to hot scenes in the shop**.

Shop:

- If you **jerked off in the morning**, you won't get these scenes.
- If you choose "**Peep**", you'll faint and Megan will give you a hj.
- If you choose "**Don't peep**" Megan will give you a hj as well, but this scene will lead to **blowjob on Friday**.

Friday evening:

- If there were no scenes in the fitting-room, **MC will jerk off to Megan**.
- If Megan gave MC a hj, when he was unconscious, **she will do it again**.
- If Megan gave him a hj **and** he was conscious, **she will give him a blowjob**.

Episode 2

Beginning:

- If you **told Jake about your powers or agreed to help him with Faith** in the first episode, he will appear at the most interesting part of the morning.
- Though if you agreed to help him or just mentioned your powers, there will be a choice: **to hide** or **to stay**.
- If you hide, Jake will face some serious troubles in later episodes.

Back to Friday:

- There will be a special scene which depends on the ending of the previous episode. Megan will give you **footjob/boobjob/blowjob**.

After the Shop:

- Massage scenes also **depend on the ending of the previous episode**.

Talk to Sarah (First Time):

- Here you can choose if you want to talk with her.
- The first talk gives **most benefits** (there are **three conversations** with her in total)
- Be careful, if you don't talk to her at all, it may lead to some **unpleasant scenes and outcomes**.

First Talk:

- Choosing “**Don’t believe him**” leads to an interesting scene and will be useful later.

Sunday:

- **If you talked to Sarah, Megan will come to your room.** Again, everything depends on the previous ending.

Debt Collector:

- Choosing “**Fuck you!**” will impress Sarah, and if she decided not to believe MC during the first talk, she’ll reward him ;)

Evening:

- When MC comes from work, there will be **new conversation with Sarah.**
- She will let him touch her tits if she didn’t believe his words earlier.
- If there was no conversation with her, here is **the second chance.**

Debt Collector:

- If you simply give him the money, you’ll **miss a lot of scenes in the restaurant!**

Restaurant:

- Special scene with Sarah: If she checked his words, **she’ll show her tits and rub his dick with her foot.** If she just

believed him during the first talk, **she'll send him a photo.**

- Scenes with Megan in the washroom **depend on the previous ending.**

Tuesday:

- If there was the conversation with Sarah, you'll have a **chance to check her ass.**
- If there was the second conversation, **you'll oversleep.**
- If there was no conversation at all, you'll have **the last chance!**

Jake's Birthday:

- Either Faith will be nude or not during his birthday – everything depends on the choices from the first episode.

Dinner with Megan:

- Do you remember Chen from the first episode? Well, if you agreed to help him, he'll help you too ;)

That's all, guys, thank you for playing! I hope you enjoyed. Feel free to express your thoughts about the game and I'll be grateful if you support me on Patreon!
