1 Preface

Hi, a quick word before helping you in your progress. The guide spoils a little bit (a lot) so I strongly advise playing normally before using it, or to seek a solution only if you are blocked ... It would be a pity to discover the intrigues and incredible adventure of the game through the guide rather than through the game.

If there is any problem with an element of the guide or missing information, do not hesitate to pass on the Discord of the game, it is there for that.

Translator's note:

- 1) Sorry if there are any mistakes, English isn't my native language
- 2) Since this is not an official walkthrough, some elements may be missing and some translations may not be the same in relation to the game
- 3) If you find an error in the guide (misspelling, item name...) please send me a message, either on F95zone (L34ND43), or on the discord of the game (L34ND43).

After a few days (almost) all quest are started, it remains only to farm, because it will take money, a lot of money

You also have to up all physical **statistics** to 10, so work at the **tavern** and it will take a while...

The description of the quests is available below since from on there is a part of random (**gold**, **statistics**...) and the biggest is done, it remains only to follow the different characters in their quest.

5.3 Main quest

5.3.1 The Lord's Return

To start the quest go talk with **Vlad** at the shop from the beginning of the **brothels**.

0 **Vlad** want you to find his stuff in the **mountain**.

— You need **Dexterity** ≥ 6

— "Jump to the right."

1 Return **Vlad**'s supplies.

— **Shop**, **Vlad** [100 gold]

2 Return to the **tower** for an explanation.

— **Tower**, **Pink Godelins** [98 gold]

3 You need time to digest the information.

— wait 3 (or 4) days

4 Find the mayor.

— **Tavern**, **Willie**

— "Find out about the mayor"

5 **Vlad** is the mayor. Go speak with him.

— **Shop**, **Vlad**

— "Threaten him" / "Encourage him" *In fact, it does not really matter, except that the choice "Make it rain money on his face" cost 200 gold...*

— "Accept" [**Sturdy leather**]

— "Accept" [**Poorly crafted dagger**] or "Refuse" *we already have one.* [150 gold]

7 Time to clean up the **city hall** (with acceptable losses)

— **City hall**

8 Return to **Vlad** to get the deed.

9 Report the good news to your minions.

— **Tower**

— "Go see."

— "Intervene" [The quest "Escape of the princess" is now unlocked]

— "Lie to her" / "Tell her the truth" [**between 4 and 8 wooden planks**]

12 Find **50 planks**.

— **Forest** each night until you have **50 wooden planks**... (so you can work during the day... You should keep working for **Willie** until all basic physical stats reach 25)

(25 +0+ 0)

Here, in this example, the basic statistic is 25

— **Tower**

13 Bring back **3000 gold**.

14 **Tower** [-3000 gold]

15 Wait for the end of the construction.

— Wait 10 days.

— "Gut him"/"Correct him for his insolence"/"Order him to leave" **No impact on history**

16 Visit the **tower**.

To visit the tower, you must first put someone in the confidence, for this walkthrough I chose Camilla, because you just have to finish "Camilla's project - 6". But it is quite possible to do it with another girl. Here are the choices:

Camilla; Camilla+Ezmella; Autumn; Camilla+Autumn; Ezmella; Autumn+Ezmella (I will add the other choices in another version of the guide)

For **Camilla** :

— **Brothel** (after "Camilla's project - 6" and after having waited 10 days)

— "To put it in the confidence"

— "I've taken control of them" [-2 **Camilla**] if "I eradicated them" then +1 **Camilla** and later -4 **Camilla**

— "Precisely"

— **Tower**, you must have a minimum of **31 life points**

— "Inaugurate the 'wonder'..." [-1 **Camilla**, -30HP]

— "We'll take over the world"

— For the next choice, it depends on the girl(s) with whom you are. So here is a table with the different results depending on the girl(s)

	Camilla	Ezmella	Autumn
Sentence him to exile	+2	+3	-3
Public execution	0	-1	+1
Decimate them for their mistake	-2	-3	+3

17 Search for a true architects in the village

— **Tavern**, work for **Willie**, you have to do this many times, the architect is slow to arrive

— After he appeared, **Tavern**, **Kulriz**

— "Offer to buy a round" [-12 **gold**, +2 **Kulriz**]

— Go to **A useful dwarf**

18 You need a bundle of money to give to the dwarf

— **Tavern**, **Kulriz**

— Yes, let's get the project started [-17350 **gold**]

19 The dwarf is at work, wait for this news.

— Wait 15 days

— "That's wonderful." [+2 **Kulriz**]

— "It's perfect." [+2 **Kulriz**]

20 The tower is now complete

— **Tavern**, **Yehran**

— "That's way too much"

— "Accept the full time offer full for 1200 **gold/week**"

— **Tower**, **Kulriz**

— Construct, "An armory" [-2150 **gold**]

— "Act with tact"

Go to Dark secrets of Autumn

21 Return to the magic garden

— **Brothel**, "Go to the magii-serre"

22 I need to find information about creating physical body

— **Shop**

— "... Perhaps"

— "I will seriously consider your application"

— *Wait 7 days*

23 I have to wait for **Vlad** to find what I need to build a physical body

— [**Organic Alpha**, **Share of genius**, 4 **essence of organic matter**]

- 24 I have to read the books that Vlad gave me.
